UNLOCK THE **CAPITAL** YOUR BUSINESS NEEDS TO GROW

Funding. Growth. Opportunity. Real Answers for Small Businesses.

For many small businesses, **access to capital** is one of the biggest barriers to growth. Many business owners need funding to **expand, hire, purchase inventory, complete contracts, or take the next big step**—yet when they approach traditional lenders, they are often told they do not qualify.

This empowering conversation is designed to help change that experience. Small business owners will hear directly from **SBA loan specialists, bankers, and sub-lenders** who understand the challenges and can explain **lending options, preparation steps, and alternative funding pathways**.

Join us for an engaging presentation and open panel discussion where you can ask real questions, learn how lenders evaluate applications, and gain practical insight on how to better **prepare your business for financing opportunities**.

What You Will Gain

- Real answers from SBA loan specialists, bankers, and sub-lenders
- Better understanding of what lenders look for
- Practical steps to prepare for financing
- Alternative funding options beyond traditional bank loans
- A welcoming space to ask questions without judgment
- Even if you have an imperfect credit score, there is an option.

Whether you are just starting, growing, rebuilding, or preparing for your next contract opportunity, this session is for you. Come ready to listen, learn, ask questions, and connect with resources that may help move your business forward. This is a welcoming, judgment-free conversation created to support small businesses and strengthen our business community.

Questions will be taken on a first-come, first-served basis — please register early if you are not currently a member.
