Event

SR520/I-5 Montlake Bridge Replacement (Portage Bay Bridge) Design-Build Project, Seattle, Washington

Join us to learn about doing business with Skanska and our large subcontractors on the **WSDOT SR520 I-5 to Montlake Portage Bay Project**.

Interested local, **small, veteran, minority and women owned businesses** looking to be a part of this exciting project are encouraged to attend! This virtual event will include breakout room sessions to promote networking and opportunities to learn more about specific topics:

- About Skanska and the Portage Bay Team
- About the Portage Bay Bridge Project
- Future Bid Opportunities
- Project Inclusivity Goals
- Community Workforce Agreement (CWA) Overview
- How to Stay Connected
- Additional Resources

Our team is working closely with WSDOT to ensure that this Project successfully meets or exceeds its **Small, Veteran-Owned Business Enterprises, Minority and Women's Business Enterprise** participation goals by identifying and maximizing opportunities for qualified firms.
