Project Information: Howard S. Wright invites your firm to submit a bid proposal for the Stride Bus Rapid Transit (BRT) Bus Base North (BBN) facility. Howard S. Wright encourages participation from all subcontractors and suppliers including Minority, Women-Owned, Veteran, Disabled Veteran, Disadvantage Business Enterprises, and Small Business Enterprises firms for all scopes, portions thereof, or combinations thereof. If you require assistance regarding scopes of work, contracts, plans and specifications, pre-qualification, insurance, bonding, SDI, equipment, materials, and related services, please contact our office at seabids@hswc.com.

This BBN will be used to maintain, service, wash, fuel, and store up to 120 articulated and double-decker buses. The BRT BBN project will include development of approximately 12.5 Acres, and right-of-way improvements.

The work includes building:

- An 18,000 sf administration and operations building.
- A bus entrance/exit onto 20th Avenue SE with security guard booth.
- A 108,000 sf bus storage/parking structure.
- A 5,600 sf bus wash facility.
- A 27,400 sf bus fueling facility.
- A 78,500 sf maintenance building.

Other improvements will include a new public sidewalk along the site's frontage of 20th Avenue SE and through-block connections surrounding the site perimeter.

**** All bids are to be submitted electronically through Building Connected ****
