### SUMMER'S IN FULL SWING!

#### SUMMER SERVANT DAYS!

We are on call and ready to go serve those in need. Starting in June, we will start our Servant Days ministry avenue of serving others. We will be cranking up around mid-June and if all goes well, we will be on the run making minor home repairs, painting, and landscaping, the majority of the Summer. Not to mention serving in the garden. We are looking forward to this new adventure of faith.

#### TEAMEFFORT COLLEGE MISSION – FLORIDA

Our college students were in Florida last month with TEAMEffort Missions. By the look of things they had an amazing time, working hard and having fun. They built sample decks, stud walls, and fence framing for staff training. By all accounts the food was as good as the company, and after a long day of hard work a cat nap and some beach time hit the spot.

## GIVEAWAY GARDEN NEEDS CARE

The Giveaway Garden is in need of some serious TLC. The late frost took out nearly all the tomatoes planted in April, so Mike and a few helpers planted and staked more. With the hot summer upon us they are struggling and need continuous care and watering. The weeds are threatening to take over once again, but the squash is hearty and several already have first fruits.

We'll be organizing work parties to care for and maintain the garden. If you're interested contact Mike.

## NEED SUMMER FORMS & INFO?

Check out the St. James Website under Youth Ministry. You will find all of the information needed for this year's Summer Adventures right there. Remember, you have to have your Emergency Form and the Team Effort Form notarized before you can go on the trips.

## UPCOMING BEACH AND MISSION TRIPS

It's finally here! We are heading off to the beach! The sand, the sun, the wind, the waves and growing in our faith are all calling us. We'll load up the vans and leave Saturday, June 19 at 11:00 from Calvary, and returning on Saturday, June 26. Need the info, check out the Calvary Website under Youth Ministry. Pack your swimmyies and join in the fun!
