## Youth News

### THE WEATHER IS GETTING WARM, AND THE YOUTH ARE HEATING UP!

#### SERVANT DAYS ARE BACK! WAHOO!

It looks like warmer weather is approaching, COVID is waning, and this combination means more opportunities to make a difference to others will be coming our way! What a great way to kick off the coming of Spring and celebrating the new life that comes with this season.

This coming Sunday, March 6, at 12:00 noon, the Youth Ministry will be gathering at Calvary and then heading over to the Bilingual Preschool to build a new fence around the heating and air conditioning units. There will be a few more things to do as well, so the more we have serving, the more we can accomplish! Please bring a sack lunch if you haven't eaten before you arrived. You will also need a pair of gloves and a water bottle. All are welcome to join in the fun.

Another project that is in the works is replacing a set of steps that goes up to a small deck for an elderly gentleman. We celebrate this project as it comes from a new set of eyes in the field, Meals on Wheels. More information will be coming soon.

## GROWING YOUNG

One thing that came out of the Growing Young Sunday School class was that the adults would like to be more supportive with the younger generation. They are wanting to do this by visiting the important events in the lives of the young people. If you will, send your event dates to me, we will be happy to post a calendar of game schedules, dramas, performances, and recitals. We will also be posting who will be playing or performing, where and when. So send in that information and we will be happy to share it. You just might be very surprised when you look up into the stands to see who came to support you.

On February 4th, **Matthew Fowler** swam himself, along with the Northwest High School Swim Team, all the way to the State Competition in Cary. His relay team worked really hard, they qualified and competed on the state level, which is the Super Bowl of NC High School swimming. **CONGRATULATIONS MATTHEW** you made it to State's! Wear that t-shirt and hat with pride!

**Alex Holt** preforms in a Winter Guard Competition at Mooresville High School in Mooresville on March 5. This is an all-day event, Alex and his team is scheduled to perform last, at 4:55pm. Cost is approximately \$12.00 per person to enter.

**Catherine Cicci** plays soccer for Concord High School and her Home schedule is:

March 7	5:00	Greystone at Concord
March 11	6:00	Central at Concord
March 18	6:00	South Rowan at Concord
March 29	6:00	Lake Norman Charter at Concord
April 1	6:00	East Rowan at Concord

**Sarah Wilson** performs in a dance recital on May 21 at the A.L. Brown auditorium in Kannapolis.

### A BIG THANK YOU GOES OUT

to all those that helped with our first Parents Night Out! What a great success it was for everyone. We had 16 young ones participate in games, God Time, a craft, pizza, homemade cookies and a movie. It was a night full of excitement and a lot of laughter. We will have another Parents Night Out soon! Keep watching for information to come. Thank you to the ladies that baked the best homemade cookies ever, they were very delicious and enjoyed by all.
