Week of Feb. 15, 2026

The Last Sunday after the Epiphany

Introduction to Worship

Today's festival is a bridge between the Advent-Christmas-Epiphany cycle that comes to a close today and the Lent-Easter cycle that begins in several days. On a high mountain Jesus is revealed as God's beloved Son, echoing the words at his baptism. This vision of glory sustains us as Jesus faces his impending death in Jerusalem. We turn this week to Ash Wednesday and our yearly baptismal journey from Lent to Easter. Some churches put aside the alleluia at the conclusion of today's liturgy. This word of joy will be omitted during the penitential season of Lent and will be sung again at Easter.

ADULT SUNDAY SCHOOL

This week's lesson...

The Lord's Day - Exodus 20:8-11; Romans 14:4-6; Revelation 1:10

When God gave the 10 Commandments, the Third Commandment describes the practice of refraining from work on the final day of the week. The Christian practice of observing the day of rest was to meet on Sunday after the Resurrection. The Sabbath was set aside as a holy day that concluded God's creation of the universe. It also was a day of Observance to recall God's rescue from oppression in Egypt, where no rest was allowed! It also is an act of trust that we can take a day off from work, and God will still provide for us. Nowadays, the Sabbath "rest" takes many shapes and forms; we will discuss those on Sunday. Hope to see you there!
