EXPERIENCE

Featured Producer | Hartford, CT — FOX61

January 2025 - present

- Produce two hour-long shows featuring inspiring and heartwarming stories from Tegna affiliates; shows are prerecorded weekly for airing across stations nationwide
- Showcase each story to keep the show fresh and engaging
- Collaborate with producers, reporters and assignment desks at stations across the country to acquire content and ensure it is cleared for use
- Produce daily 30-minute non-stop 11 a.m. newscast for streaming

Producer | Hartford, CT — FOX61

February 2025 - present

- Find, stack and write stories to produce hour-long newscasts across the station's 6 ½-hour morning show while working to 'win' the big stories and inform viewers
- Collaborate with newsroom members to execute a clean and dynamic show
- Booth newscasts ensuring they stay on time and hit meters while communicating with directors, reporters and anchors
- Work on specials including Manchester Road Race and St. Patrick's Day Parade

Producer-in-Residence | Hartford, CT — FOX61

June 2024 - February 2025

- Trained in newscast and digital producing as well as journalism ethics and writing
- Worked as a member of the digital team, wrote stories for the FOX61 website and created social media content

News Intern | Palm Beach Gardens, FL — WPBF 25

June 2023 - August 2023

- Trained with reporters, producers and directors to learn more about the daily responsibilities of a news station
- Wrote stories to be aired on hourly newscasts and posted on company's website
- Rehearsed on-air presentation in the studio and in the field

News Production Intern | Syracuse, NY — CNYCentral

June 2022 - August 2022 and January 2024 - April 2024

- Stacked, wrote and found stories for CNYCentral's shows: NBC 3, CBS 5 and CW 6
- Recorded and took notes of news pressers and communicated updates to the newsroom; chose soundbites from pressers for newscasts

News Director | Syracuse, NY — CitrusTV

December 2021 - November 2022

- Oversaw a team of more than 250 undergraduate and graduate students as the largest entirely student-run television studio in the United States
- Assisted in the production of nine 30-minute news shows weekly with programming 7-days a week including 6 p.m. newscasts, a political analysis show, a morning show, a business show and the only Spanish newscast in Syracuse
- Worked with other members to create a positive work and learning environment
- Trained new members on how to use equipment, report and write

Producer and On-Air Talent | Syracuse, NY — CitrusTV

September 2020 - May 2023

- Produced newscasts by building a rundown, writing stories, creating graphics and cutting video to make visually appealing and informative broadcasts
- Found newsworthy stories to cover on campus, locally, nationally and internationally, making sure to localize stories as much as possible to best serve our audience
- Covered breaking news in a timely and accurate way
- Generated pitches, conducted interviews and shot and edited packages on deadline

EDUCATION

S.I. Newhouse School of Public Communications at Syracuse University—

B.S. in Broadcast and Digital Journalism

Graduated May 2024

Studied Broadcast and Digital Journalism with minors in Political Science and Marketing.

Medill-Northwestern Journalism Institute, Evanston, IL

June 2019 - August 2019

- One of 83 participants as a rising high school senior.
- Honed journalism and interviewing skills.
- Advanced skills in video production including camera skills, script writing and editing.
- Improved news writing in both AP and Broadcast style.
