
Apotheosis Health Membership Agreement

1. Patient-Clinician Relationship

By your signature, you acknowledge that you are voluntarily becoming a patient of Apotheosis Health and its medical group or affiliated clinician. As an Apotheosis Health patient, those services described in Section 2 below will be made available to you pursuant to the terms of this Membership Agreement.

2. Apotheosis Health Direct Primary Care Services

Health Care Services: As a patient, you are eligible to receive a set of primary care, preventive care, and urgent care services as offered by your individual clinician from among those listed in our Detailed Service List (attached below and also available at www.apotheosis.health or at your Apotheosis Health clinic location). You are also eligible to receive direct mobile phone and email access and same or next-day appointments. During the term of this Agreement, the Health Care Services provided by Apotheosis Health may be subject to change by Apotheosis Health from time to time. Such changes, if any, shall be reflected on the Detailed Service List.

If you have a pre-existing medical condition, please contact us first to learn how you may benefit from Apotheosis Health services. Pre-existing medical conditions do not disqualify you from enrolling in Apotheosis Health services.

By entering into this Membership Agreement, you acknowledge that Apotheosis Health does not provide health insurance coverage and that this is not a contract for insurance. Apotheosis Health **provides only the Health Care Services specifically described herein and additional costs may be incurred for laboratory, medical imaging, surgery, specialist care, emergency department visits, and hospitalization required outside of Apotheosis Health services.** Apotheosis Health **encourages you to combine Apotheosis Health membership with appropriate health insurance coverage.**

Most, but not all, of the services described above in Section 2, are covered by the Comprehensive Monthly Fee, subject to the limitations set forth in this Membership Agreement. However:

- Per IRS guidance, if you participate in a high-deductible health plan with a health savings account (HSA) feature, you may be required to pay on a fee-for-service basis for certain primary care, non-preventive care and urgent care services until such time as your deductible has been satisfied. If you don't pay on a fee-for-service basis for these services, it is possible you may lose your ability to contribute to your HSA during your membership. Please consult your attorney or financial adviser. Apotheosis Health hereby disclaims any responsibility or liability with respect to your decisions made thereto.
- Some Health Care Services provided by Apotheosis Health are not covered by the Comprehensive Monthly Fee (Non-Covered Health Care Services). The Apotheosis Health fee schedule for these services will be provided to you upon your request. Apotheosis Health may amend the fee schedule from time to time in its sole and absolute discretion and without prior notice.

- If you request and receive a Non-Covered Health Care Service, you will pay for that service at the time it is provided to you and request from Apotheosis Health a claim form that you may submit to your health plan (or other third party)
- You agree not to submit any claims to any third party payor or any government health care program for Covered Services rendered by Apotheosis Health to you under this Agreement.
- All Fees paid are non-refundable. This includes all Fees that may have been paid whether such were paid on a monthly or annual basis.
