Christmas is just around the corner

Next carving class is Dec 13, 14 & 15th with Troy Helget. We will be carving some fish decoys.

The 14th will be our end of year Annual club meeting where we will be voting on Club officers. It will include a potluck at noon followed by the meeting.

Time to finish up any Christmas tree ornaments you have been working on. I will include mine on the next page. Send me any Christmas projects you worked on this year and I will include the pictures in the January Newsletter.

We have had a GREAT year this year. We became a 501c3 charitable organization and with that we took on a new name (Prairie Woodcarvers). We have taken in some new members. We had a great turnout with some young people at our Open carving in November. We started carving at a new location, 111 Donna Ave. in Alexandria. Once again we put on a carving demonstration at the Douglas County Fair. We have had great carving instructors this year, Dick Skauge, Marty Dolphen, Don Fischer, Nancy Sager.

2020 dues can be paid anytime.

This next year will be even better.
Come out and join us.

Marty Dolphen Carving an Angel

One of these is what we will be carving next year with Marty Dolphen on April 17, 18 and 19th. They stand about 14 inches tall. Marty will need to know which of these you would like and how many people will be attending. Think about it and you can let myself or Sonya know and we will be keeping a list. Cost will be about \$130. No charge for the fun and comradeship that will occur. Identify them by either single angel or double angel.
