Exciting news

Are you looking for an end of year tax deduction? Remember we are now a 501c3 tax deductible charity. I will be starting a Sponsor page on our newsletters and website. If you give a \$200 charitable donation to the club you will be listed as a sponsor for 12 months. If you are a business, you can donate an amount of \$500 as a corporate sponsor for 12 months. The funds we collect will be used to allow us to purchase beginner carving tools and kits to have on hand for Open carving where young and old who have never carved before can get hands on experience. The cost for one set, including a glove, is about \$100. We would like to have 6 or 7 sets available. Our tax EIN # is listed on the top right hand corner of this newsletter under Prairie Woodcarvers

We had a great Open carving session. We had several young people learning how to carve and a new member, Wade Farka, who joined that day. He just moved to Alexandria and heard about us from Don Kanten. Wade brings with him a lot of carving experience and also new ideas from a club he belonged to.

Pictures will be included on the next page. Also check out the upcoming carving schedule.

Cost to be determined

Mar 7th **Don Fischer Carving a Owl**

Minimal Cost

Apr 17,18,19 **Marty Dolphen - Angel**

Cost - \$135

Marty Dolphen Carving an Angel

One of these is what we will be carving next year with Marty Dolphen on April 17, 18 and 19th. They stand about 14 inches tall. Marty will need to know which of these you would like and how many people will be attending. Think about it and you can let myself or Sonya know and we will be keeping a list. Cost will be about \$130. No charge for the fun and comradeship that will occur. Identify them by either single angel or double angel.
