On February 17 and 18th we will be carving this Turtle with Don Fisher. Contact Sonya if you will like to attend this class.

On April 13, 14 and 15 we will once again have Marty Dolphens back with us for some bark carving. We will be carving a bust of a Captain. It will be a bench carving using a mallet. Contact Sonya if you want to be part of this class.

This will be a possible next year project with Don Fisher. Never too early to look ahead. As always, if anyone has ideas of future projects, let Sonya know.

We just completed a fun class carving Apples. One of them included having a worm inside, thanks to Ursula's ingenuity. We had 4 people carving who have not carved before. Everyone went home with at least one apple and some had two. We might have gained some new members from this project.
