## Get a Project done carving day

**Nov. 17th**

How many of you have a number of unfinished carvings laying around at home? I know I do. I also know I need more than 1 day. As my wife says you have enough projects around to last for the next 20 years. I thanked her for that compliment because I figured she meant she was letting me know she EXPECTED me to be around for the next 20 years. So here is your chance to bring one or more of those unfinished projects on Saturday, Nov 17th and "Get it done". In addition you will be able to enjoy a bunch of great people, have a potluck lunch at noon, follow that with our Club meeting and a chance to win our coveted \$5 drawing. Keep the chips flying and we will see you on Nov 17th.

## Dec. 1 & 2 Carving with Troy Helget

Let Sonya know if you can make this class. We have done crappies, bass, sunfish and northern. We are now looking at carving a Rainbow trout. Troy is a world class carver and has won numerous awards. You can view his carvings on Facebook at Top Notch Artworks. You will also find some of his fish decoys for sale on Ebay.
