PROFESSIONAL EXPERIENCE:

BETWEEN2EARS® Trauma Consultancy, Founder

Newtown, CT | 2022-Present

www.between2ears.com

- Provide consulting, education, training, and coaching services in the areas of trauma awareness, prevention, and response/recovery to healthcare, legal, and client-based professionals.
- Developed *From Lockers to Lecture Halls*, a scalable mental health readiness and prevention program designed to help families, educators, and counselors support students' transition from high school to college. Presented regionally to parents, school counselors, and college advisors through NEACAC and community partnership series.
- Partner with pharmaceutical and patient advocacy organizations to advance awareness of the psychosocial burden of disease on patients and families, promote prevention by addressing stress and unmet needs, and strengthen overall care through trauma-responsive provider education.

Fairfield County Trauma Response Team Inc, Member

Fairfield County, CT | 2013-Present

- Conduct trauma trainings, outreach, therapy, and support services for first responders, frontline healthcare workers.
- Provide Cultural Competency training for mental health professionals on effectively working with and treating first responders, addressing occupational culture, barriers to care, and trauma-specific clinical approaches.

Dr. Joanna L. Rosen, LLC, Clinical Psychologist

Newtown, CT | 2005-Present

www.moveforwardbetter.com

- Sole practitioner of a specialty trauma practice providing intensive, time-limited therapy focused on rapid reduction of distress and restoration of functioning.
- Provide specialized diagnostic evaluations for individuals with complex or ambiguous symptom presentations, integrating advanced clinical formulation and trauma-informed assessment to clarify diagnostic profiles and treatment pathways.

Nuvance Health, Psychiatry Department, Clinical Psychologist

Danbury, CT | 2005-Present

- Provide outpatient psychotherapy, clinical consultation, and psychoeducation to adults.

Yale University School of Medicine, Assistant Clinical Professor of Psychiatry, Department of Psychiatry

New Haven, CT | 2004-2007

- Provided comprehensive diagnostic evaluation, conducted trainings on early warning signs of psychotic illness.
- Prepared manuscripts for academic publications.

Yale University School of Medicine, Associate Clinical Director, PRIME Research Clinic

New Haven, CT | 2002-2004

- Oversaw day-to-day operations. Co-developed clinical instrument for identifying patients at risk for psychosis.

University of Medicine and Dentistry of New Jersey, Project Coordinator, Healing and Recovery after Trauma (HART) Project. New Brunswick, NJ | 2001-2002

- Coordinated project and clinical activities for communities impacted by the 9/11 terrorist attacks.

Yale University School of Medicine, Clinical Coordinator, PRIME Research Clinic
New Haven, CT | 1999-2001
