## Our Services

### Community Engagement

Our Community Engagement Day Support Program allows adults with developmental disabilities to engage in meaningful interactions amongst their peers in the community.

### In-Home Support

In-Hope Support services help promote independence and improve daily functioning skills. Our supports include assistance with daily functioning skills, medication reminders, and transportation.

### Companion Care Services

Companion and Homemaker services are available for self-pay individuals and their families. These services may include routine housekeeping, cooking and laundry assistance.

We await you with open arms!
