- Joining Artists are effectively entering into an agreement that will automatically renew monthly.
- A 30 day notice will be required by either party to terminate. A six month commitment is requested.
- Members pay only monthly fees, RAW takes no commission. Artists receive 100% of their sales.
- Upon the sale of an item, each member will receive the full sales price of their piece. Cash and checks made out to the artist are distributed immediately. Checks made out to RAW and credit card sales are paid out monthly.

### **Membership Requirements are as follows:**

- Membership dues are \$45 per month, due no later than the first of each month. All fees collected go directly into the operation of the business., ie: rent, insurance, phone, website, advertising, etc.
- An annual fee of \$20.00 is requested to cover the cost of supplies used in the gallery.
- RAW is staffed by the artists, thus members are required to work in the gallery one or two days per month as needed, based on membership counts. If you cannot work your required days, it is your responsibility to contact other members and secure a replacement. Members will not be compensated for hours worked.

Each member is responsible for their own display area, maintaining an adequate supply of inventory and correctly marking each piece with their assigned artist number and price. Members are approved only for the medium submitted. Any new art mediums will need to be approved before they can be placed in the gallery.

Gallery space is limited, thus new members are accepted based on the current needs of the gallery.

All applications are kept on file for future consideration should an appropriate space open up.

Please call, email or stop by the gallery if you have questions in regards to any of the above items.
