

Tuesday Night League
Baker National
Team Event – Modified Scramble

RULES

- Play from your assigned tees
- Everyone drives – use best or chosen ball. (e.g. if ball in rough, all members must hit from the rough)
- You must use at least **two drives from every player** (record on scorecard)
- From that point of the best driven ball, everyone plays and putts their own ball to complete the hole. Ball must be hit from same place and under same course conditions (basically a Scramble format).
- Add the **3 (three)** best **NET** scores for a combined total hole score for that hole
- Lowest score after 9 holes wins.

EVENT SUMMARY

- This is a team event. To be eligible for prize money, all players must have GHIN handicaps and must include three players from the team roster.
- Play as a team. Everyone plays their own ball. All players count toward team total.
- Teams may play with fewer than four players though it is not to their advantage. If playing as a threesome, three drives must be used by each player.
- NO “GIMME” PUTTS. Since there is no opponent in each group to grant “gimme” putts, all players are required to putt out on each hole.
- USGA, Local Rules, and League Rules Apply

This event does **NOT** qualify for posting scores for your handicap.

Ties will be broken using a scorecard playoff format starting with the first hole played. Turn in your scorecards following the round. **All cards must have team member names, handicaps, and team number.** (If you have any questions with scoring, score the round with strokes per hole and team scores will be tabulated afterwards.)
