## 1. What Is Cryptocurrency?

Cryptocurrency is digital money that uses cryptography for security. It's decentralized, meaning no single bank or government controls it. Bitcoin, Ethereum, and Solana are some of the most popular examples.

## 2. How Does Cryptocurrency Work?

Crypto runs on blockchain technology—a public, tamper-proof ledger where every transaction is recorded. This makes sending, receiving, and verifying crypto transparent and secure.

## 3. Why Do People Invest in Crypto?

- Potential for high returns
- Decentralization and privacy

- 24/7 market access
- New tech and financial opportunities

## 4. Key Terms You Need to Know

- Blockchain: The digital ledger for recording transactions
- Wallet: Where you store your crypto
- Exchange: Where you buy/sell crypto
- Private Key: Your secret password for accessing your wallet
- NFT: Non-fungible token, a unique digital asset

## 5. How to Buy Crypto (Safely)

1. Choose a reputable exchange (see below)
2. Set up your account and verify your identity
3. Fund your account (bank transfer, card, etc.)
4. Buy your first crypto (start small!)

**Affiliate Exchanges:** - Coinbase – Get \$10 in BTC - Binance – Low Fees & Wide Selection - Kraken – Secure & Trusted

## 6. Top Crypto Wallets (With Affiliate Links)

- Ledger Nano S/X – Hardware Wallet
- Trezor – Hardware Wallet
- Exodus – User-Friendly Software Wallet

## 7. Earning & Using Crypto

- Staking: Earn rewards for helping secure a blockchain (e.g., Kraken Staking)
- Airdrops: Free crypto from new projects
- Shopping: Use crypto at select online stores (Crypto.com Visa Card)

## 8. The Coinbase Credit Card: Earn Rewards as You Spend

The new Coinbase Credit Card lets you spend crypto anywhere Visa is accepted and earn up to 4% back in rewards with each purchase. Rewards are paid in popular cryptocurrencies like Bitcoin, Ethereum, or Stellar. It's a simple way to grow your crypto portfolio just by using your card for everyday purchases!

**Perks:** - Earn crypto rewards with every swipe - No annual fee - Spend USD or crypto directly from your Coinbase account
