I spoke with Allen Miller, briefly, I am not sure he understood me properly. So I wanted to summarize what I was trying to express to him. He kept asking me if I was safe. To which I replied, that it depends on how you define safety. I am in a foreign country, on my own, staying in a dirty building, owned by someone who threatened to leave me on the side of the street just yesterday. And therefore someone who obviously has no concern for my safety. So while I may be in a situation that by technical definition is "safe" I do not in the slightest feel safe and feel like the environment I am in is one that I cannot trust. He also pointed out that as he knew it "David and I came to an agreement" which is not the case, which I also expressly stated, David gave me an ultimatum. This is not an agreement. Dr. Miller said there wasnt anything that could be done if I was "safe." I also informed Allen Miller that I do not have regular or consistent access to food. He said there wasn't much that could be done until I was back home.

**Eileen Turner Dunavant**

message her and say it was school affiliated, he was going to give credit

May 16, 2016 4:16am

**Allison Dunavant**

I replied:

I signed no agreement and have no written documentation of any role that. Which is a point I've brought up to him. In that regard, I am not an employee, and he is not my employer as they keep trying to tell me. I came here under the impression that the relationship between David and I was a student teacher one. It is inherently tied to the school in that he is currently employed by the school and I am currently a student. And also in the fact that I heard of this opportunity through school and during class time. Originally I was trying to get financial aid to go on the USC in Italy trip and when I couldn't David suggested this trip.

I have looked into moving my flight and financially would be impossible ☺

I have looked into getting a hotel here and it's completely booked. I don't know what to do. And I have no idea what he's going to do or what I'm going to do for food if don't do what work he says. I came here under the impression that the trip would be mainly focused on a learning experience in which I got time in a studio space to do art and time to see works of art in person-that this was a huge part of the intention of my trip. That it would be beneficial for my education.

May 16, 2016 4:15am

**Allison Dunavant**

This is what she said this morning that I saw

May 16, 2016 4:14am

**Allison Dunavant**

Allison, Thank you for sharing the details with me. I am sorry to hear that you are in such an uncomfortable situation. Based on the information that you shared with me it sounds like you are not affiliated with any USC program, other than David being a faculty member who teaches at USC. This is the first that I hear of any USC grad students being out in MonteCastello. Did you sign an agreement with David Voros? Do you have any written documentation from him as to your role and his role while there? How did you hear of this opportunity?

If you are uncomfortable to stay, can you change your flight ticket for an earlier return day?

May 16, 2016 4:14am

**Allison Dunavant**

May 15, 2016 12:26pm

**Eileen Turner Dunavant**

Dad and I are thinking, your gonna need to document quietly but just do what you need to til you can leave next week. when you get home safely we can help you file a complaint with student affairs at USC and fight back that way. You won't be able to be treated fairly as a student after this and he lied. He does represent USC and he recruited you guys that way. He wasn't truthful. He's having an affair with a student, he's a drunk. we are just worried if you fight him there be will make it so you can't eat and can't leave. He worries us. Text me when you are safe at the school. don't work hard at all, just leisurely. go to doctor on Monday. unless you learn more about flights. the student bus runs when you leave the 22nd.

you need to get to the airport super early, even the day before so you don't miss your flight. so sorry this sucks.

May 15, 2016 9:42am

**Eileen Turner Dunavant**

the ticket can't be changed from what I can find unless you buy a new one and they give you the difference. Its like 2000. I need more info.

May 15, 2016 5:51am

**Eileen Turner Dunavant**

let me look when I get up. it may not be a big deal.

May 15, 2016 5:22am

**Allison Dunavant**

Right now I leave here in one week, on Sunday. Maybe I should just keep that

May 15, 2016 5:21am

**Allison Dunavant**

He's one of those overly religious people

May 15, 2016 5:21am

**Allison Dunavant**

And Antonio just isn't smart

May 15, 2016 5:21am

**Allison Dunavant**

Everyone just says I'm aggressive and hostile. Apparently that's what expressing your opinion is

May 15, 2016 5:08am

**Allison Dunavant**

He's mostly just a wuss. Everyone is scared of David and expressing their opinion and I'm not

May 15, 2016 5:07am

**Eileen Turner Dunavant**

your going to need it. and don't share with Cody...he's an ass and won't have your back. he's a wuss.

May 15, 2016 5:05am

**Eileen Turner Dunavant**

no, I'm glad. I want you home. he lied and it pisses me off he doesn't care if your safe. he's your professor and he lied.

May 15, 2016 5:04am

**Allison Dunavant**

He's an alcoholic too

May 15, 2016 5:04am

May 15, 2016 5:01am

**Allison Dunavant**

Our bus comes in half an hour. David said if we weren't at other train station by 130 wed have to figure out our own way back

May 15, 2016 5:01am

**Allison Dunavant**

If it's too expensive or not doable I can wait. Just thought it would be worth seeing if it was possible

May 15, 2016 5:00am

**Eileen Turner Dunavant**

on second thought maybe you should just record his speech not say anything so he isn't confrontational and come home discreetly...he seems crazy and controlling and manipulative. we can file a complaint when you get home. just want you safe here. love you.

May 15, 2016 4:47am

**Eileen Turner Dunavant**

your gonna.need to save all communications since you got there. screen capture.

May 15, 2016 4:31am

**Eileen Turner Dunavant**

record discreetly also. he is liein. if Cody and the other two don't back you up tell them fuck you never to talk to you again. love you. try to be calm and David may record you to trick you...so watch your words. keep it legal.

May 15, 2016 4:29am

**Eileen Turner Dunavant**

don't let him belittle you on this. if he is dangerous and crazy don't be alone with him either. I'll get you home somehow. what a dick.

May 15, 2016 4:27am

**Allison Dunavant**

I'll have to look at that when I get back to the school. My insurance info is in my suitcase. But I bought the travel Insurance offered by StudentUniverse if that helps

**Allison Dunavant**

Yeah we did. It was only 80 euros for the night and includes breakfast. Antonio put it on his card and I just got out euros to give to him. I didn't plan on staying away from Montecastello for a second night so I didn't have enough

May 14, 2016 5:28pm

**Eileen Turner Dunavant**

did you get a decent hotel? glad your learning who's an ass though. smh

May 14, 2016 5:27pm

**Allison Dunavant**

I was about to get a hotel by myself and be like fuck you guys

May 14, 2016 5:26pm

**Allison Dunavant**

And cody and Antonio don't trust my opinion for anything

May 14, 2016 5:26pm

**Allison Dunavant**

Yeah David told us to leave Rome around 6, we left at 630 and when we got to terni the next train we were supposed to grab had already left and no more for the night. Except one to todi right now, but David was all like "well who would pick you up if you went there?" Fucking ahole

May 14, 2016 5:26pm

**Eileen Turner Dunavant**

definitely needed a hotel. did you get one

May 14, 2016 5:25pm

**Allison Dunavant**

Yes I am. Had to convince them to get a hotel they didn't want to

May 14, 2016 5:25pm

**Eileen Turner Dunavant**

are you with Cody and your other friend

May 14, 2016 5:24pm

**Eileen Turner Dunavant**

May 14, 2016 5:23pm

**Allison Dunavant**

May 12, 2016 1:06pm

May 12, 2016 12:46pm

**Allison Dunavant**

No, poisonous haha

May 12, 2016 12:01pm

**Eileen Turner Dunavant**

I will. disgusting and creepy.

May 12, 2016 12:00pm

**Allison Dunavant**

Show cody what I caught

May 12, 2016 11:58am

**Allison Dunavant**

You sent a photo.

May 12, 2016 11:58am

**Eileen Turner Dunavant**

hang in there. I gotta go get Cody ready for school. I love you. □

May 12, 2016 6:25am

**Allison Dunavant**

Eros is also sick he said it's from the dramatic weather changes here

May 12, 2016 6:24am

**Eileen Turner Dunavant**

Salem is fat. him and Leo are best friends though...so there is that.

May 12, 2016 6:24am

**Eileen Turner Dunavant**

I'm sick too. so congested.

May 12, 2016 6:24am

**Eileen Turner Dunavant**

sorry it sucks for you. you are Cinderalla. □

May 12, 2016 6:23am

**Eileen Turner Dunavant**

keep doing that kinda shit. its calling him out and he knows it.

May 12, 2016 6:22am

**Allison Dunavant**

We were in perugia yesterday and David only bought Alex this fancy hot chocolate and I was like "David where's mine?" And he went back and got me one

May 12, 2016 6:21am

**Eileen Turner Dunavant**

sorry. I just woke up. its 6 here. lol. glad you know his level of dickness though.

May 12, 2016 6:21am

**Allison Dunavant**

I'm just not talking to any of them besides when necessary

May 12, 2016 6:20am

**Eileen Turner Dunavant**

its dangerous for him to ditch you. fuck him too.

May 12, 2016 6:19am

**Eileen Turner Dunavant**

and tell Cody to stop being a dick. speak up.

May 12, 2016 6:19am

**Allison Dunavant**

He's like the manager of the school thing here. Davids boss basically

May 12, 2016 6:19am

**Eileen Turner Dunavant**

who is Eros?

May 12, 2016 6:18am

**Eileen Turner Dunavant**

and if you need a doctor you should do that.

May 12, 2016 6:18am

**Eileen Turner Dunavant**

she does. nothing wrong with letting her know she sucks. □

May 12, 2016 6:18am

**Allison Dunavant**

I don't mind working because I do have a free place to stay and food but Alex fucking sucks

May 12, 2016 6:17am

**Allison Dunavant**

I'm gonna stay the full time I wanna go to Rome and florence and make it worth being here.

May 12, 2016 6:15am

**Eileen Turner Dunavant**

you need to speak up to David. and document quietly and don't say anything about documenting. tell David your sick and need a doctor. you can see if you can move your plane ticket sooner too. you have insurance so maybe you can. sorry. but I would only work to Alex's degree too. she's in. ed hung over you be in bed sick.

May 12, 2016 6:14am

**Allison Dunavant**

I've been hanging out with Eros because cody and Alex keep ditching me. Like in museums and stuff. So I'm like whatever with them and talk to Eros.

May 12, 2016 3:16am

**Allison Dunavant**

I'm also sick, I have a mucus cough and stopped up sinuses ☹️

May 12, 2016 3:15am

**Allison Dunavant**

She's also left with David for most of the day to go grocery shopping and other errands. Like bitch shut up

May 12, 2016 3:14am

**Allison Dunavant**

David is basically making us paint an entire basement with brushes because it's old stone and rollers don't work. Anyway Alex gets up this morning and is like "you guys we need to work faster and get this painting knocked out, because it's getting kind of annoying" and I was like "if David wants it done any faster he can do it his damn self." And she made a face at me and said no. But meanwhile she laid in bed all day yesterday and didn't paint because she was hungover as fuck.

May 12, 2016 3:12am

**Allison Dunavant**

I hate Alex. So very much. Bitch

May 12, 2016 3:07am

**Eileen Turner Dunavant**

I love you. I gotta pull up front and get our Cody.

May 10, 2016 6:49pm

**Eileen Turner Dunavant**

you should sleep. try to have fun even alone in your head. the key is not being angry about it but embrace the good in alone and the humor. and the evidence you document.

May 10, 2016 6:48pm

**Eileen Turner Dunavant**

I had red flags about Cody so I'm glad you see it but sorry at the same time.

May 10, 2016 6:47pm

**Eileen Turner Dunavant**

enjoy the beauty and simplicity. its not all about them.

May 10, 2016 6:46pm

**Allison Dunavant**

And I washed clothes today and dried them on the roof patio

May 10, 2016 6:45pm

**Allison Dunavant**

I have cookies right now

May 10, 2016 6:45pm

**Allison Dunavant**

Oh yeah. I'm fed. I also bought a couple snacks at the market for my room

May 10, 2016 6:45pm

**Eileen Turner Dunavant**

don't work harder than everyone else. are you eating

May 10, 2016 6:44pm

**Allison Dunavant**

Same. My nose has been bleeding but I think it's mostly from it being raw

May 10, 2016 6:44pm

**Eileen Turner Dunavant**

Cody is in the gym training with pat. I'm in the parking lot...had a bloody nose and congested so I'm having me time.

May 10, 2016 6:43pm

**Eileen Turner Dunavant**

see you won't need to sit with Cody flying home. lol

May 10, 2016 6:42pm

**Allison Dunavant**

I'm not cinderalla lol

May 10, 2016 6:42pm

**Eileen Turner Dunavant**

you are not cinderalla

May 10, 2016 6:42pm

**Eileen Turner Dunavant**

being

May 10, 2016 6:42pm

**Eileen Turner Dunavant**

document document document. sounds dumb until it isn't. just you. ring alone right now is not cool.

May 10, 2016 6:41pm

**Allison Dunavant**

Until the 22nd but that's when we leave.

May 10, 2016 6:41pm

**Allison Dunavant**

Just me, alex, cody, Antonio and david.

May 10, 2016 6:41pm

**Allison Dunavant**

Julie isn't here

May 10, 2016 6:41pm

**Allison Dunavant**

David always makes sure her glass is filled too

May 10, 2016 6:41pm

**Eileen Turner Dunavant**

is Julie there

May 10, 2016 6:40pm

**Eileen Turner Dunavant**

its not cool at any age for David to treat Alex different

May 10, 2016 6:40pm

**Allison Dunavant**

I've been talking to Julie also and she says the same thing to make sure I record it

May 10, 2016 6:40pm

**Eileen Turner Dunavant**

but seriously document any inappropriate shit. might need it later. just saying ☐

May 10, 2016 6:40pm

**Eileen Turner Dunavant**

that can be your next art theme. people are shit.

May 10, 2016 6:39pm

**Eileen Turner Dunavant**

I'm sorry they are shit, your already getting a lot out of this trip.

May 10, 2016 6:39pm

**Eileen Turner Dunavant**

teach

May 10, 2016 6:38pm

**Eileen Turner Dunavant**

that's always been my concern with him. that isn't a sometimes thing. Ethan would do that always.naturally. you can't reach someone.good character. maybe that's more important to you now that your older.

May 10, 2016 6:38pm

**Allison Dunavant**

Hmm that is true. People as a whole are just really shitty. It makes the good ones stand out. Like Cody doesn't give a shit that I'm in the school building alone. He doesn't care.

May 10, 2016 6:36pm

**Eileen Turner Dunavant**

maybe you should tell Ethan this....but he has to change and move too. can he and will he?

May 10, 2016 6:36pm

**Eileen Turner Dunavant**

having someone who you trust is important. dad always had issues but he would always think of me first and I could always count on him without fail.

May 10, 2016 6:35pm

**Allison Dunavant**

I haven't actually talked to him too much. I've just been thinking a lot during my time here. Because they mostly ignore me. So I have time to think to myself

May 10, 2016 6:33pm

**Eileen Turner Dunavant**

he loves you

May 10, 2016 6:33pm

**Eileen Turner Dunavant**

so when is Ethan moving in with you

May 10, 2016 6:33pm

**Allison Dunavant**

Ok

May 10, 2016 6:32pm

**Eileen Turner Dunavant**

I would say no honestly. seems like a lot.

May 10, 2016 6:32pm

**Allison Dunavant**

It's good on a resume is basically it

May 10, 2016 6:32pm

**Eileen Turner Dunavant**

you need paid. I would decline it unless there is something bigger in it later or its a step to something. idk

May 10, 2016 6:32pm

**Eileen Turner Dunavant**

no. not if your ADHD like me. lol. I love my alone time and go nuts without it.

May 10, 2016 6:31pm

**Allison Dunavant**

Oh I got offered internship at art museum for summer. Not paid though.

May 10, 2016 6:31pm

**Allison Dunavant**

Oh my financial aid is fine they're just pissy

May 10, 2016 6:30pm

**Allison Dunavant**

I look forward to being able to hide in my room at night here. That's bad right?

May 10, 2016 6:30pm

**Eileen Turner Dunavant**

tell Ethan to move to SC

May 10, 2016 6:30pm

**Eileen Turner Dunavant**

we really like Ethan. and he's adorable.

May 10, 2016 6:29pm

**Eileen Turner Dunavant**

I think Ethan is great. but will he move and change

May 10, 2016 6:29pm

**Eileen Turner Dunavant**

or professor guy your crazy lady told

May 10, 2016 6:29pm

**Allison Dunavant**

The dean?

May 10, 2016 6:28pm

**Allison Dunavant**

The more I see of people the less I know for certain ya know. Ethans issues don't seem like anything in comparison. His morals and kindness are in the right place.

May 10, 2016 6:28pm

**Eileen Turner Dunavant**

and what did the dean say about your financial aid bitch

May 10, 2016 6:27pm

**Eileen Turner Dunavant**

true true on the issues

May 10, 2016 6:27pm

**Eileen Turner Dunavant**

make sure you document weird shit. always good to have in your back pocket. video and pictures.

May 10, 2016 6:27pm

**Allison Dunavant**

Everyone seems to have issues. It seems to be a matter of which ones can you deal with.

May 10, 2016 6:27pm

**Allison Dunavant**

And David is drunk and wanted to go work on his art at studios

May 10, 2016 6:26pm

**Eileen Turner Dunavant**

Ethan is sweet but he has a lot of issues.

May 10, 2016 6:26pm

**Allison Dunavant**

This late  
May 10, 2016 6:26pm

**Allison Dunavant**

We just finished dinner  
May 10, 2016 6:26pm

**Allison Dunavant**

It's 1230 I didn't want to be there. I miss ethan. He was a nice person and never made me feel out of place

May 10, 2016 6:26pm

**Eileen Turner Dunavant**

your not still working? fuck that.  
May 10, 2016 6:26pm

**Allison Dunavant**

I'm at the school building by myself. They're drinking in the studios.  
May 10, 2016 6:25pm

**Eileen Turner Dunavant**

tell him you were just waiting for alex  
May 10, 2016 6:25pm

**Eileen Turner Dunavant**

go sit with them  
May 10, 2016 6:25pm

**Allison Dunavant**

Fucking weird  
May 10, 2016 6:25pm

**Allison Dunavant**

David doesn't even make Alex work. They drank wine on the patio while we did dishes  
May 10, 2016 6:25pm

**Allison Dunavant**

That's true, that it did.  
May 10, 2016 6:24pm

**Eileen Turner Dunavant**

don't let them take advantage of you working  
May 10, 2016 6:24pm

**Eileen Turner Dunavant**

just enjoy trailing if you can....there is still a lot to get out of just being there. At least it makes you see the real Cody. the part you don't like.

May 10, 2016 6:24pm

**Eileen Turner Dunavant**

or try to get something out of it...don't let him work you more than you see  
May 10, 2016 6:22pm

**Allison Dunavant**

They are both completely enthralled by Alex also. I just trail behind it seems.  
May 10, 2016 6:22pm

**Eileen Turner Dunavant**

I'm sorry. I hope there are parts worth it though. what about Cody and the other guy?  
May 10, 2016 6:22pm

**Allison Dunavant**

I feel like being alone is almost not as lonely as being with people who make you feel alone. Or different.  
May 10, 2016 6:21pm

**Allison Dunavant**

They are at the studios and I'm home by myself. I'm peopled out  
May 10, 2016 6:21pm

**Allison Dunavant**

Yeah not feeling too good, tired of being around these people already. All we did was paint walls all day.  
And David has a weird obsession with Alex. Just as easily and as quickly as I seemed part of, I am in the same way pushed out of it.

May 10, 2016 6:20pm

**Eileen Turner Dunavant**

nothing, how are you feeling? sick  
May 10, 2016 6:19pm

**Allison Dunavant**

What's up  
May 10, 2016 6:19pm

**Eileen Turner Dunavant**

hey  
May 10, 2016 6:17pm

**Allison Dunavant**

May 09, 2016 6:47am

**Eileen Turner Dunavant**

I caught Nikki's illness. been congested and run down.  
May 09, 2016 6:25am

**Eileen Turner Dunavant**

yes. allergy cold like. but wear lots of clothes and cover up. I feel congested from our fan and cold air. if  
your sick find a doc. yuck.  
May 09, 2016 6:23am

**Allison Dunavant**

Can you get sick from sleeping in cold?

May 08, 2016 6:12pm

May 08, 2016 6:12pm

**Allison Dunavant**

And then lunch is later around 1 or 2 and also small. And then dinner is huge and at 8 or 9  
May 08, 2016 6:12pm

**Allison Dunavant**

And spread out. Like breakfast is super small and early  
May 08, 2016 6:11pm

**Allison Dunavant**

The meals here are so different  
May 08, 2016 6:11pm

**Eileen Turner Dunavant**

May 08, 2016 6:11pm

**Allison Dunavant**

I'm gonna try and grab some of that kinder chocolate for cody before I come back because it's so good  
May 08, 2016 6:11pm

**Eileen Turner Dunavant**

look at what your allowed to bring home. or ship stuff you want. I think you should just get what you want to get. ☐

May 08, 2016 6:10pm

**Allison Dunavant**

Let me know if there's anything yall want me to bring back! They have really really good chocolate and this balsamic vinegar that tastes good on everything. And also leather is good quality here. And cashmere is cheap.

May 08, 2016 6:09pm

**Allison Dunavant**

I will, love yall

May 08, 2016 5:50pm

**Eileen Turner Dunavant**

sleep. 7 will come quick.

**Eileen Turner Dunavant**

OK. I will. and that sounds awesome.

May 08, 2016 5:49pm

**Allison Dunavant**

I also bought me and nikki both these cool bracelets I found in perugia. They're perfume bracelets made in Italy so they're scented. Thought it was pretty neat

May 08, 2016 5:49pm

**Allison Dunavant**

Can you show nikki and cody photos too? It gets hard to keep up with massaging because I can only do it over wifi

May 08, 2016 5:48pm

**Eileen Turner Dunavant**

messaging is good. don't stress about contact. I just like a quick sentence so we know your good. Love you. I'm so excited knowing your doing cool and seeing cool stuff.

May 07, 2016 1:40pm

**Allison Dunavant**

It wouldn't be bad if the place were staying was heated but it's not so you never actually warm up

May 07, 2016 1:27pm

**Allison Dunavant**

It's pretty cold here. Warm during the day but cold at night. Should've brought actual jackets

**Allison Dunavant**

And we had gelato with raspberries on top. Davids actually pretty cool, I like that he makes us all join in on the cooking.

May 05, 2016 10:23pm

**Eileen Turner Dunavant**

trick yourself. lol

May 05, 2016 10:22pm

**Allison Dunavant**

May 05, 2016 10:22pm

**Eileen Turner Dunavant**

May 05, 2016 10:21pm

**Allison Dunavant**

In the mornings we help clean the school

May 05, 2016 10:21pm

**Allison Dunavant**

Oh and we went to local cafe for cappuccinos and pastries this morning

May 05, 2016 10:21pm

**Allison Dunavant**

The grocery stores here are so different

May 05, 2016 10:21pm

**Allison Dunavant**

And then for dinner we braised some pork chops and grilled them. Also grilled zucchini and peppers and made tuna brushchetta

May 05, 2016 10:20pm

**Eileen Turner Dunavant**

you should be in bed

May 05, 2016 10:20pm

**Eileen Turner Dunavant**

yuck

May 05, 2016 10:19pm

**Allison Dunavant**

And seasoned it with fresh lemon, garlic, wine, and a little olive oil

May 05, 2016 10:19pm

**Allison Dunavant**

Today I made octopus with arugula and potatoes

May 05, 2016 10:19pm

**Allison Dunavant**

Yeah David buys all these groceries and teaches us how to cook

May 05, 2016 10:19pm

**Eileen Turner Dunavant**

May 05, 2016 8:08pm

May 05, 2016 8:07pm

May 05, 2016 8:06pm

**Eileen Turner Dunavant**

May 05, 2016 8:06pm

**Eileen Turner Dunavant**

May 05, 2016 8:05pm

**Allison Dunavant**

My sleep schedule is messed up

May 05, 2016 8:05pm

**Allison Dunavant**

Just got home it's 205 am here

May 05, 2016 8:05pm

**Allison Dunavant**

Don't think that's gonna happen

May 05, 2016 8:05pm

**Eileen Turner Dunavant**

The more I think about it. you should definitely send him her previous crazy emails and tell him, exaggerate if necessary that you specifically spoke to her about this and she was supportive and told you it would be fine. And tell him you even went to an additional class to make up for this, and Ms. Bitch agreed to this. But seriously...add your concerned about the confusing and seemingly intentional multiple attempts to harm your reputation and financial aid monies for school. You were accused of being disruptive in an incoherent email and then she retracted it. Take the offense. Tell him that you would like transferred into another TA position with the same pay and an appology from this professor.

May 05, 2016 6:52pm

**Eileen Turner Dunavant**

and just because the date is May 7th, you fulfilled the hours requirement by going to an extra class. that is legal and fulfilling your obligation.

May 05, 2016 12:41pm

**Eileen Turner Dunavant**

copy all her weird messages and send them to him. he isn't gonna go there with this.

May 05, 2016 12:27pm

**Allison Dunavant**

Andrew has that power though

May 05, 2016 12:26pm

**Eileen Turner Dunavant**

That is offensive, she's mental. no one is taking your financial aid away. she doesn't have that kind of power. but I would report that as a threat and ask for a position change. they have to accommodate you since you can prove previous harassment too if necessary.

May 05, 2016 12:26pm

**Allison Dunavant**

I'm upset about it

May 05, 2016 12:24pm

**Allison Dunavant**

I'm trying to find it so I can show you what I said

May 05, 2016 12:24pm

**Allison Dunavant**

Yeah I did

May 05, 2016 12:24pm

**Eileen Turner Dunavant**

so you just messaged him

May 05, 2016 12:24pm

**Allison Dunavant**

May 05, 2016 12:24pm

**Allison Dunavant**

May 05, 2016 12:24pm

**Allison Dunavant**

He hasn't. I literally just saw it

May 05, 2016 12:24pm

**Eileen Turner Dunavant**

what did he respond back? and ask him if possible if there is another TA position or you could trade with someone.

May 05, 2016 12:23pm

**Allison Dunavant**

I've never had anyone not like me that much

May 05, 2016 12:23pm

**Eileen Turner Dunavant**

she is like Jenn

May 05, 2016 12:23pm

**Allison Dunavant**

And threatening my financial aid eligibility

May 05, 2016 12:23pm

**Allison Dunavant**

Rather than just reporting me

May 05, 2016 12:22pm

**Allison Dunavant**

I did. I also said, if I misunderstood what she said, (about understanding that I was leaving) that emailing me or contacting me prior to my departure would have been appropriate.

May 05, 2016 12:22pm

**Eileen Turner Dunavant**

omg! cunt. email Dr. house immediately and state professionally that you spoke to bitch and she said it was fine and as a matter of fact you went in for an extra class to make up for it, so this is really confusing and hurtful to you. seriously. document this to him. she's a freaking bipolar wench.

May 05, 2016 12:21pm

**Allison Dunavant**

Again

May 05, 2016 12:17pm

**Allison Dunavant**

I wonder if there's anyway for me to not ta for her

May 05, 2016 12:17pm

**Allison Dunavant**

You sent a photo.

May 05, 2016 12:15pm

**Eileen Turner Dunavant**

what a bitch. email your response indicating the verbal agreement and how you made up for it. so it doesn't come back. lime summarize an email communication. politely

May 05, 2016 12:10pm

**Allison Dunavant**

No I don't have in writing anything. And yeah. But it's a slap in the face and on the wrist  
May 05, 2016 12:08pm

**Eileen Turner Dunavant**

May 05, 2016 12:07pm
