

Dear Prospective Sponsor,

Thank you for taking the time to consider sponsoring one of our Texas Aces athletes! We would love to share some information about our program and what it means to be a sponsor for one of our athletes:

We were established in October 2019 in the small town of Smithville, Texas. We started with a handful of students and quickly outgrew our first facility after just a few short months. Now with over 200 students from surrounding cities and counties, we have multiple All-Star Cheer teams and tumbling classes for all ages. Texas Aces fosters the development of our students physically, mentally, and morally through training, teamwork, and discipline.

All-star Cheerleading, also known as Competitive Cheerleading, is a competition sport where boys and girls of various ages perform a 2.5-minute routine composed of tumbling, stunts, pyramid, jumps and a dance. Our teams will compete against other teams from all over the state, country, and even the world. Many of these competitions are televised on ESPN, CBS, FOX SPORTS and various other networks. This sport is highly competitive and requires true dedication to become the best!

Like any other travel sport, All-Star cheer is a financial obligation. We would like to invite you to help a young athlete by sponsoring their cheer expenses. As a sponsor, you and your business will help this young athlete be a part of a life changing experience – and it gives you an opportunity to showcase your commitment to the development of our youth. Most donations can be written off as advertising expenses since your company will be advertised on t-shirts, certificates, and online platforms.

We would love your support! To make your commitment, please complete the attached form along with a check made payable to Texas Aces Booster Club. You can either have the athlete return the form and check for you or you can mail it to Texas Aces. If you have any questions, please reach out to the Texas Aces Booster Club at texasacesboosterclub@gmail.com.

Cheers!
