

## **Housing Counseling Services:**

Assisting clients secure permanent housing within their desired community. This includes:

- Collecting necessary documentation and data for completing applications.
- Searching for housing options in the wanted areas.
- Completing applications for housing options.
- Touring potential housing options
- Assistance with completion of lease agreements
- Searching and applying for assistance programs
  - Section 8 and other vouchers
  - Energy Assistance
  - Support programs
- Assisting with the orchestration of move in and ensuring safety and needs met for client in new home.
- Additional resource materials to help clients be a “Good Neighbor and Tennent.”

We work with the client, their family, case management teams, and other support services to find the best fit for the client in the area that they wish to be in. We help overcome obstacles within the process due to client’s limitations, history, and financial ability.

Housing options include.

- Apartment or House Rentals
- Purchasing a trailer home
- Purchasing a house/condo
