

2023 1500 **CLASSIC**

**RAM**

STEADFAST CAPABILITY  
**CLASSIC PERFORMANCE**

A black Ram pickup truck is shown from a front-three-quarter view, driving down a paved road that curves to the right. The truck is towing a white boat on a trailer. The road is bordered by a wooden fence on the left and a grassy field on the right. In the background, there are lush green trees and hills under a cloudy sky. The truck's headlights are on, and the word 'RAM' is visible on the front grille.

# ASSURANCE, CONFIDENCE AND STRENGTH HIGH TECH FOR HIGH PERFORMANCE

## TRAILER-TOW MIRRORS

Measuring at 7x11 inches, available extra-wide trailer-tow mirrors have a convex spotter mirror that provides a wider view range.

## ELECTRONIC TRAILER BRAKE CONTROL

This available system can provide even greater stopping power on downhill grades. Based on the load, brake force can be customized.

## PARKVIEW® REAR BACK-UP CAMERA<sup>1\*</sup>

Active Grid Lines on the ParkView Rear Back-Up Camera<sup>1</sup> make backing up to a trailer hitch easy.

## LINK COIL REAR SUSPENSION

Ram 1500 Classic maintains its own unique engineering, employing the long-proven, innovative link coil rear suspension.

<sup>1</sup>\*All disclosures can be found on the last page.

RAM 1500 CLASSIC

## LEGENDARY POWER

395 MAX HP

410 MAX LB-FT OF TORQUE

10,620-LB MAX TOWING<sup>2</sup>

**POWERED BY A LEGEND** The available 5.7L HEMI® V8 engine churns out bold power, while the hemispherical head design yields built-in efficiencies. Other engineering highlights include Variable Valve Timing (VVT) and fuel-conscious Multi-Displacement System (MDS) that transform this mighty V8 into a robust 4-cylinder when less power is needed.

The standard TorqueFlite® 8-speed automatic transmission enables exceptional acceleration in lower gears while optimizing thermal control for impressive efficiency and durability.

**3.6L**  
VVT

RAM 1500 CLASSIC

## **BUILT FOR EFFICIENCY**

305 MAX HP

269 MAX LB-FT OF TORQUE

7,660-LB MAX TOWING<sup>2</sup>

**BUILT FOR EFFICIENCY** The 3.6L Pentastar® V6 engine features Variable Valve Timing (VVT) that adjusts intake and exhaust valve timing to enhance combustion and performance, resulting in impressive horsepower and torque numbers. An innovative Thermal Management System helps keep critical internal components operating at ideal temperatures for optimal power, performance and efficiency.

The standard TorqueFlite® 8-speed automatic transmission uses smart technology to automatically handle and optimize shift changes for ideal drivability.

SERIOUS PAYLOAD CAPABILITY  
**1,930-LB MAX PAYLOAD<sup>2</sup>**

Max payload capacity of configuration shown is 1,750 lb<sup>2</sup>

LOADED, STORED AND ORGANIZED

# BIG CONVENIENCE FROM SMALL DETAILS

#### TONNEAU COVER

The available tri-fold tonneau cover provides peace of mind and protection, as well as promoting airflow for reduced drag.

#### STEEL DEPLOYABLE BED STEP

Foot-controlled for use or to tuck it back under the bed. Available at [mopar.com](https://www.mopar.com)

#### POWER LOCKING TAILGATE

Lock and unlock the liftgate with a quick push of the key fob button. Convenience and security are just that easy.

#### IN-BED LIGHTING

Controlled by a switch or activated when the unlock button on the key fob is pushed. Available.

Tradesman® shown in Delmonico Red Pearl.

#### **SOLID STEEL BED**

Ram 1500 Classic cargo beds are constructed with tough, high-strength steel.

#### **AIR BAG<sup>3</sup> TECHNOLOGY**

Protection comes from advanced multistage front air bags<sup>3</sup>, supplemental side-curtain air bags<sup>3</sup> and front-seat side-mounted air bags<sup>3</sup>.

#### **SIDE-IMPACT DOOR BEAMS**

They reinforce the protection against side-impact force—helping to protect from every angle.

#### **DYNAMIC FRONT CRUMPLE ZONES**

Engineered to bear the brunt of an impact, they're designed to help keep driver and passengers safe and secure.

## **ALL-AROUND DURABILITY**

THE BACKBONE THAT UNDERPINS THE CAPABILITY

#### **TOWING AS IT SHOULD BE**

Towing can reach up to 10,620 lb<sup>2</sup> with the available Class IV hitch receiver that attaches directly to the high-strength steel frame.

#### **LINK COIL REAR SUSPENSION**

Proven over years and miles, our link coil rear suspension is tough and durable—with outstanding ride quality.

#### **ANTISPIN REAR DIFFERENTIAL**

This available asset markedly increases traction in wet or snowy conditions.

#### **ACTIVE GRILLE SHUTTERS**

Bringing invaluable cooling to the engine compartment, these shutters adapt to speed, load and engine needs while also helping reduce aerodynamic drag.

PROTECTING WHAT MATTERS MOST

# DRIVER-ASSISTED SAFETY & SECURITY FEATURES

**TRAILER SWAY DAMPING<sup>4</sup>**

Tow with confidence—Trailer Sway Damping<sup>4</sup> detects yaw and applies selective brake pressure on the tow vehicle's opposite side to counteract and reduce the sway.

**PARKVIEW<sup>®</sup> REAR BACK-UP CAMERA<sup>1</sup>**

This standard system displays a helpful visual reference of what is behind your vehicle when it's in Reverse.

**AVAILABLE PARKSENSE<sup>®</sup> REAR PARK ASSIST<sup>5</sup>**

This invaluable feature uses integrated sensors with ultrasonic waves to detect objects as far as 47 inches away from the rear bumper. Read-outs located in the gauge cluster display team up with audible chimes to notify the driver of proximity to rear objects.

**STANDARD ELECTRONIC STABILITY CONTROL (ESC)<sup>7</sup> SYSTEM**

Help regulate wheelspin with comprehensive All-Speed Traction Control. If slippage occurs during acceleration, the electronic throttle control will reduce torque; in extremes (like accelerating from pavement to ice), it will apply the brakes and reduce the engine power to maintain control.

**THE MOST NOTABLE COMPONENTS OF ESC<sup>7</sup>**

Stop securely with the Antilock Brake System (ABS). Monitoring each wheel's speed, the Ram 1500 Classic ABS design also incorporates backup braking should one of the two braking circuits become compromised.

**BALANCE THE BRAKING**

Electronic Brake-Force Distribution regulates brake pressure from front to rear to minimize stopping distances. Anticipate potential trouble. Ready Alert Braking senses when the driver's foot is lifted from the accelerator; it applies an imperceptible brake force to ensure that pads and discs are lined up should an emergency stop be required.

**FACTOR IN THE WEATHER**

Rain Brake Support automatically and seamlessly activates when the driver turns on the windshield wipers; all brake calipers gently pulse against their respective rotors to remove water from the pads.

**MAKE IT HOME WITH HYDRAULIC BOOST COMPENSATION**

Should a failure occur in the vacuum brake booster or any related line, the brake controller will kick in to run the ABS pump. The system will even convey notice of the problem to the driver, and the brakes will perform as normal until the failure is serviced.

**STAY STILL WITH HILL START ASSIST**

When the vehicle is on an incline, this system keeps your Ram Pickup stationary for two seconds after the brakes have been released or until the accelerator is depressed.

**AVAILABLE FULL-SPEED FORWARD COLLISION WARNING PLUS<sup>6</sup>**

Radar and camera technology combine to alert you when the system senses a potential frontal impact. If you're not able to respond quickly enough, the system will automatically engage the brakes with the ability to bring the vehicle to a complete stop.

**BRAKING SUPPORT**

The Ram 1500 Classic braking system features optimized pedal travel to provide quick power assist. Rear wheel-speed sensors are positioned for protection against road elements. ESC<sup>7</sup> features multiple assets for braking; it even includes vehicle control when stationary.

**IT'S EVERYTHING YOU WANT**

POWERFUL, RUGGED AND READY FOR ADVENTURE

**A LEGACY OF RUGGED STYLE** Unique, available decals on the bed sides and hood are a tribute to the 1970s Warlock Pickups. Exterior highlights include a Black grille with bold Ram lettering, 20-inch High-Gloss Black aluminum wheels, front and rear powder-coated bumpers, factory suspension lift (4x4 models), Black wheel flares, available LED fog lamps, projector headlamps with dark bezels, LED taillamps, Black badging, available tow hooks, an available Sport Performance Hood and more.

# COMMAND CENTRAL

CONNECTIVITY, COMFORT AND TECHNOLOGY

# Uconnect®

IN TOUCH WHEREVER YOU GO  
DRIVEUCONNECT.COM

Uconnect® brings a wide range of interactive features to your vehicle and beyond through a highly intuitive communication experience. Trips are enhanced with informative and entertaining apps. Access them on your Uconnect touchscreen as well as your smartphone. Listen to your favorite playlist from your connected device, then flip to SiriusXM® Radio® and enjoy the best commercial-free music, plus every major sport and the biggest names in entertainment, news and comedy. You'll get over 150 channels, all at the press of a button. With SiriusXM Platinum Plan®, you get every channel available on your SiriusXM Radio®, and you can also listen wherever you go on your portable devices with the SiriusXM App®, which is included with your six-month trial. Available. Drive confidently with a premium suite of safety and convenience services that can be accessed in-vehicle or through the Ram App®. Available.

Download the Ram App® to your smartphone for access to certain vehicle information.

## STANDARD FEATURES

### POWERTRAIN

3.6L Pentastar® V6/8-speed automatic  
Available 5.7L HEMI® V8/8-speed automatic

### INTERIOR AMENITIES

Cloth 40/20/40 split-bench seat  
Front armrest with 3 cup holders  
Premium vinyl door trim panels with map pocket  
Power windows and locks  
Rear folding seat  
Carpeted floor covering  
Tinted glass windows  
Rearview day/night mirror  
Manual air conditioning  
Instrument cluster with 3.5-inch Driver Information Display  
6-speaker audio system  
Media Hub with audio jack and remote USB port  
12-volt auxiliary power outlet  
Carpeted floor mats  
Overhead console with map lights  
Passenger-side sun visor with mirror  
Uconnect® 3 with 5-inch display

### EXTERIOR FEATURES

Black power-heated mirrors  
Locking tailgate

Bifunctional Sport halogen projector headlamps  
Sport LED taillamps  
Black powder-coated front and rear bumpers  
Black headlamp filler panel  
Unique Black grille with Ram logo  
Black wheel flares and exterior badges  
20-inch High-Gloss Black-painted aluminum wheels

### CAPABILITY & FUNCTIONALITY

Electronic shift-on-the-fly part-time transfer case (4x4 only)  
Trailer-tow wiring with 4- and 7-pin connector  
26-gallon fuel tank  
Speed control  
Electronic power rack and pinion steering  
Front heavy-duty shock absorbers  
Rear heavy-duty shock absorbers  
Front stabilizer bar

### SAFETY & SECURITY

6 air bags<sup>3</sup> including driver and front-passenger, side-curtain and front-seat side-mounted  
Electronic Stability Control (ESC)  
4-wheel antilock disc brakes  
Sentry Key® Theft Deterrent System  
Tire Pressure Monitoring System with display  
ParkView® Rear Back-Up Camera  
ParkSense® Rear Park Assist

## WARLOCK WHEELS

**17-inch Matte  
Black-Painted Aluminum**  
Included with Warlock All-Terrain Package (WFF)

**20-inch High-Gloss  
Black-Painted Aluminum**  
Standard (WR7)

## WARLOCK INTERIOR

Warlock interior in Black Soulmate/Gear-embossed Cloth

## APPEARANCE PACKAGES (PACKAGES/EQUIPMENT GROUPS P 20)

### Warlock All-Terrain Package

Includes front and rear rubber floor mats, 17-inch Matte Black-painted aluminum wheels and 17-inch All-Terrain tires

### Warlock Décor Package

Includes box-side Warlock decal and hood decal on standard hood

# TRADESMAN®

(SHOWN WITH OPTIONAL EQUIPMENT)

## STANDARD FEATURES

### POWERTRAIN

3.6L Pentastar® V6/8-speed automatic  
Available 5.7L HEMI® V8/8-speed automatic

### INTERIOR AMENITIES

Heavy-duty vinyl 40/20/40 split-bench seat  
Front armrest with 3 cup holders  
Power windows and locks (Quad Cab® and Crew Cab)  
Rear folding seat (Quad Cab and Crew Cab)  
Black vinyl floor covering  
Rear fixed window  
Tinted glass windows  
Rearview day/night mirror  
Manual air conditioning  
Instrument cluster with 3.5-inch Driver Information Display  
Black instrument-panel bezel  
Uconnect® 3 with 5-inch display  
6-speaker audio system  
Media Hub with audio jack and remote USB port  
12-volt auxiliary power outlet

### EXTERIOR FEATURES

Black power-heated mirrors (Quad Cab and Crew Cab)  
Incandescent taillamps  
Quad-halogen headlamps  
Black front and rear bumpers

Black upper fascia  
Black grille and door handles  
Locking tailgate  
17-inch Argent steel wheels  
P265/70R17 BSW All-Season tires

### CAPABILITY & FUNCTIONALITY

Electronic shift-on-the-fly part-time transfer case (4x4 only)  
Trailer-tow wiring with 4- and 7-pin connector  
26-gallon fuel tank (5' 7" and 6' 4" beds)  
32-gallon fuel tank (8' bed)  
Speed control  
Electronic power rack and pinion steering  
Front heavy-duty shock absorbers  
Rear heavy-duty shock absorbers  
Front stabilizer bar  
Active Grille Shutters

### SAFETY & SECURITY

6 air bags<sup>3</sup> including driver and front-passenger, side-curtain and front-seat side-mounted  
Electronic Stability Control (ESC)  
4-wheel antilock disc brakes  
Sentry Key® Theft Deterrent System  
Tire Pressure Monitoring System with display  
ParkView® Rear Back-Up Camera

## TRADESMAN WHEELS

17-inch Argent Steel  
Standard (WFP)

17-inch Painted Aluminum  
Included with Chrome  
Appearance Group and

Notes regarding the charts above: numbers in Black boxes reflect max ratings. Payload and Max Trailer Weights are estimated values. All weights are shown in lb unless otherwise stated. Payload and Max Trailer Weight values are rounded to the nearest 10 lb. Payload = GVWR – Base Weight. Trailer Weight Rating and Tow Vehicle Trailing Weight are calculated as specified in SAE J2807 . Payload and Trailer Weight Rating are mutually exclusive. GAWRs, GVWRs and GCWRs should never be exceeded. The recommended tongue weight for a conventional hitch is 10 percent of the gross trailer weight. The maximum tongue weight for Class IV hitch receiver is limited to 1,100 lb. Weight-distributing hitch is recommended for trailers over 5,000 lb.

1 Always check entire surroundings visually before proceeding. 2 When properly equipped. See dealer for details. 3 Always sit properly in designated seating positions with seat belts securely fastened at all times. 4 Always drive carefully, consistent with conditions. 5 Always look before proceeding. An electronic drive aid is not a substitute for conscientious driving. Always be aware of your surroundings. 6 This system is an alert system for the front of the vehicle. It is not a substitute for active driver involvement. The driver must remain aware of traffic conditions and be prepared to use the brakes to avoid collisions. 7 Always drive carefully, consistent with conditions. Always wear your seat belt and obey traffic laws. 8 All SiriusXM services require a subscription, sold separately by SiriusXM after the trial period. Your SiriusXM service will automatically stop at the end of your trial unless you decide to subscribe. **If you decide to continue service after the trial, the subscription plan chosen will automatically renew and be charged according to your chosen payment method at the then-current rates.** Fees and taxes apply. **Review the SiriusXM Customer Agreement & Privacy Policy at [www.siriusxm.com](http://www.siriusxm.com) for full terms and how to cancel, which includes online methods or calling 1-866-635-2349.** Available in the 48 contiguous United States, D.C., and Puerto Rico (with coverage limits and capable receiver). Visit [www.siriusxm.com/FAQS](http://www.siriusxm.com/FAQS) for most current service area information. Availability of some services and features is subject to device capabilities and location restrictions. All fees, content and features are subject to change. SiriusXM, Pandora and all related logos are trademarks of Sirius XM Radio Inc. and its respective subsidiaries. 9 App features may vary between vehicle, model year, and the connected services available. 10 Requires compatible iPhone. See dealer for phone compatibility. Data plan rates apply. Vehicle user interface is a product of Apple. Apple CarPlay is a trademark of Apple Inc. iPhone is a trademark of Apple Inc., registered in the US and other countries. Apple terms of use and privacy statements apply. 11 To wirelessly use Android Auto on your car display, you need a compatible Android smartphone with an active data plan. You can check which smartphones are compatible at [g.co/androidauto/requirements](http://g.co/androidauto/requirements). Google, Android, Android Auto and other marks are trademarks of Google LLC. 12 All SiriusXM Guardian equipped vehicles come with a 12-month complimentary trial effective on the date of purchase or lease of a new vehicle. Enrollment in the trial is required to receive service. Upon expiration of the trial period, purchase of a subscription is required to continue SiriusXM Guardian. SiriusXM Guardian is available only on equipped vehicles purchased within the United States and Puerto Rico. Services can only be used where cellular coverage is available. See Uconnect and SiriusXM Guardian Terms of Service for complete service limitations. 13 The Uconnect Phone requires a mobile phone equipped with the hands-free profile. To check phone compatibility, please visit [UconnectPhone.com](http://UconnectPhone.com). 14 Check state and local laws regarding the use of remote start systems. 15 Vehicle must be locked and system activated for alarm to sound. 16 Assumes properly equipped vehicle and 150-lb allowance for driver. Additional options, equipment, passengers and cargo weight must be subtracted. See dealer for details.
