PLOT YOUR COURSE

ADVENTURE MEANS HAVING THE TOOLS
AT HAND TO DISCOVER WHERE YOUR FREEDOM CAN
LEAD. JEEP® GLADIATOR OFFERS WIDE-RANGING
CAPABILITY, FROM TOWING BIG LOADS TO CARRYING A
VARIETY OF ACCESSORIES IN ITS BED. PLOTTING YOUR
COURSE HAS NEVER BEEN MORE FUN OR FRUITFUL.

THE ONLY OPEN-AIR PICKUP TRUCK IN THE INDUSTRY^{1*}

THIS TRUCK EPITOMIZES VERSATILITY: IT HAULS,
TOWS AND DELIVERS YOU TO THE GREAT WIDE OPEN
WITH LEGENDARY CAPABILITY, OFFERING OUTSTANDING
UTILITY AND INTUITIVE TECHNOLOGY. JEEP® GLADIATOR
DEFINES OPEN-AIR FREEDOM.

Rubicon® in Firecracker Red

¹*A note about this brochure: all disclosures can be found on the last page.

Properly secure all cargo.

ALL IN FOR FUN

This versatile 60.3 x 56.8-inch truck bed is built to carry what you want to have when you get to where you want to be. Its three-position tailgate, available spray-in bedliner, available tonneau cover and available 115-volt auxiliary outlet all add more function to your fun.

Properly secure all cargo.

FILL, **PLAY**, REPEAT

AVAILABLE
BEST-IN-CLASS 4x4
1,725-LB PAYLOAD
CAPABILITY²

Look forward to the kind of playdate that only Jeep® Gladiator can deliver. No other 4x4 truck in its class² lets you carry more weight in its bed. That means you can carry more gear to pack in more fun, wherever the playground of your dreams may be. These are the life adventures you'll want to experience again ... and again.

TOW ABILITY

What you put behind you can make all the difference for what's in store ahead. So let your "bring-along" list include everything you need for sun, snow, road, sand and water. With Jeep® Gladiator, there's virtually no limit.

Properly secure all cargo. Always tow within the vehicle's capacity.

JEEP® GLADIATOR
OFFERS UNSURPASSED²
GAS TOWING OF
7,700 LB

JEEP® GLADIATOR IS ENGINEERED TO PULL,
PACK AND DO ALL THE THINGS YOU WANT
FROM A PICKUP TRUCK WHILE RETAINING
EVERYTHING YOU LOVE ABOUT JEEP.

MAX TOW PACKAGE WITH 4.10 AXLE RATIO

Tow the maximum with unsurpassed gas towing of 7,700 lb² with the help of this must-have Package that includes a 240-amp alternator, Dana® 44 wide-track axles, a 4.10:1 axle ratio, Trac-Lok® limited-slip rear differential, heavy-duty engine cooling, a Class IV hitch receiver, wide fender flares, trailer hitch zoom³ and a GVWR of 6,500 lb. Available on Sport models equipped with the 8-speed automatic transmission.

Properly secure all cargo. Always tow within the vehicle's capacity.

CAN-DO POWER

3.6L PENTASTAR® V6 ENGINE

Load up, set your waypoint, and confidently take on every adventure over mountains, hills and valleys. This award-winning engine is designed to deliver powerful pull with welcome efficiency. Economies are realized thanks to a two-step Variable Valve Lift System specifically designed to remain predominantly in low-lift mode until more power is demanded, when it will quickly move into high-lift mode for improved combustion. Its cooled exhaust-gas recirculation and innovative weight-reduction strategies also aid efficiencies and power output while maintaining the smooth performance that's a recognized hallmark of the Pentastar® engine.

285 HORSEPOWER

260 LB-FT OF TORQUE

UP TO 16/23 CITY/HWY MPG⁴
(Manufacturer's estimate)

8-SPEED AUTOMATIC TRANSMISSION

The launch ratios for all eight gears have been optimized, tuning this 8-speed transmission to the exact structure, size and weight of your Jeep® Gladiator. Advanced software adjusts performance on the fly, based on variables such as temperature, cornering, hill grades, 4x4 gears and towing. Smooth and virtually seamless shifts, both up and down, deliver a consistently smooth ride. Available.

6-SPEED MANUAL TRANSMISSION

For those who prefer to really put themselves into every shift, this one's for you. It hands you low 1st and Reverse gears, which are great for off-roading. It's matched to either a Command-Trac® 4x4 system on Sport and Mojave or paired with the Rock-Trac® 4x4 system on Rubicon®.

GET A GRIP

WITH STAND-ALONE CAPABILITY

JEEP® GLADIATOR SOLDIERS ON WITH AUTHENTIC FOUR-WHEEL-DRIVE (4WD) SYSTEMS THAT WORK INDEPENDENTLY TO GET THE JOB DONE.

COMMAND-TRAC® 4x4 SYSTEM

This part-time, shift-on-the-fly system divides torque 50/50 between front and rear axles, shifts smoothly at speeds up to 45 mph and has a 2.72:1 low-range gear ratio. Standard on Sport and Mojave.

ROCK-TRAC® 4x4 SYSTEM

Rubicon® rides with this extreme 4x4 system. Its 4:1 low-gear ratio allows Jeep® Gladiator Rubicon to crawl at a low speed for greater control and increases the amount of torque available at the wheels. Standard on Rubicon.

SELEC-TRAC® FULL-TIME 4x4 SYSTEM

An active 4x4 transfer case does all the thinking, providing optimum traction for all types of conditions. The Smart Lock feature keeps the system engaged during off-roading or slippery road conditions. Available on Mojave.

ROCK-TRAC FULL-TIME 4x4 SYSTEM

This system offers the capability of Rock-Trac® with the added convenience of a full-time, active transfer case that can provide optimal traction over changing road conditions. Available on Rubicon.

FORWARD-FACING OFF-ROAD TRAILCAM³ CAMERA Provides a view of the trail directly in front of your vehicle, helping you pick your path. Available on Mojave and Rubicon.[®]

STEEL BUMPERS Built with ultra-strong steel to take the punishment of the trails. The front bumper can accept a winch, features integrated LED fog lamps and has removable end caps to help maneuver through tight spots. Available on Mojave and Rubicon.

TOW HOOKS Segment-Exclusive² Standard Two Front and One Rear Tow Hooks really stand out on Jeep[®] Gladiator with these distinctive paint colors: Red on Rubicon and Orange on Mojave.

SKID PLATES All models feature up to four standard skid plates/bars, made from lightweight high-strength steel, to help protect the underbody. Both Rubicon and Mojave add heavy-gauge, steel rock rails for rocker panel protection, while Rubicon also includes rock rails mounted behind the rear wheels to help protect the bed. Standard.

SELEC-SPEED[®] CONTROL Manages vehicle speeds of 0.6 mph to 5 mph in 4-LO while traversing off-road terrain without requiring the driver to control the throttle or the brake. This helps the driver focus on steering the vehicle, letting Jeep Gladiator put the right amount of power or braking onto the ground. Standard with 8-speed automatic transmission.

HILL START ASSIST (HSA) Works to prevent Gladiator from rolling when starting on an uphill gradient. Standard.

OFF-ROAD PAGES Track pitch and roll, steering angle and 4x4 Mode with brilliant graphics displayed on your touchscreen, instrument cluster display or through the Jeep App⁵ on your smartphone. Standard on all models.

POWER AND PROTECTION KEEP YOU GOING

WHEN THE GOING GETS TOUGH, JEEP[®] GLADIATOR OFFERS A LONG LIST OF STANDARD AND AVAILABLE FEATURES THAT HELP YOU MANAGE PROGRESS, PROTECT VITAL PARTS AND KEEP YOU INFORMED OF VEHICLE PERFORMANCE.

» LOCKED-IN

TRU-LOK® DIFFERENTIALS

Front and rear electronic-locking differentials deliver maximum torque to both wheels, maintaining forward momentum for the ultimate in 4x4 traction. An instrument-panel-mounted rocker switch can lock either the rear (on Mojave and Willys models) or both (on Rubicon® models) axles. Paired with the Rock-Trac® 4x4 system on Rubicon models. The rear axle can also be locked in 4-HI.

OFF-ROAD+

When engaged, it automatically deciphers the type of terrain Jeep® Gladiator is operating on and makes adjustments to key systems, including throttle, Selec-Speed® Control, traction control and transmission shift mode, for optimal performance. If enabled in 4-HI, it tailors operation for higher-speed sand performance. If enabled in 4-LO, it adjusts operation for low-speed rock-crawling maneuvers. Standard on Willys, Mojave and Rubicon.

FRONT SWAY BAR DISCONNECT SYSTEM

Flip a switch and the sway bar can be disconnected in 4-LO and 4-HI, allowing the front suspension to travel up to an additional 30 percent. It reconnects automatically at speeds above 18 mph. Standard only on Rubicon.

YET FLEXIBLE

A JEEP® GLADIATOR BEARING A TRAIL RATED® BADGE EXCELS IN THESE CATEGORIES:

ARTICULATION	A high level of suspension travel allows for better control over varied terrain.
TRACTION	Efficiently transfers power to traverse varied surfaces with consistent grip.
GROUND CLEARANCE	Approach, breakover and departure angles are all maximized.
MANEUVERABILITY	Precise, responsive steering and an optimized wheelbase.
WATER FORDING ⁶	Can traverse water depths up to 31.5 inches.

THE BADGE SAYS IT ALL

JEEP GLADIATOR MOJAVE IS THE FIRST-EVER AND ONLY DESERT RATED® JEEP® BRAND VEHICLE, AND IT STANDS OUT IN THESE CATEGORIES:

RIDE CONTROL AND STABILITY	With a ground-breaking, desert-tuned suspension, Mojave tackles undulating desert terrain with uncompromising control and comfort.
TRACTION	By strategically managing and delivering power, Mojave conquers unpredictable surfaces like sand, gravel and loose dirt with confidence.
GROUND CLEARANCE	Maximized running clearances with an optimized suspension allow Mojave to crest dunes, blast through whoops and anything else the desert can throw at it.
MANEUVERABILITY	Nimble and responsive handling allows Mojave to become an extension of the driver when swiftly navigating desert terrain and climbing extreme angles.
DESERT PROWESS	Tested and proven to withstand the intense heat, coarse sand, loose gravel and intrusive dust that accompany unforgiving desert environments.

BARES ITS SOUL

UNFETTERED, OPEN-AIR FREEDOM MAKES JEEP® GLADIATOR ABSOLUTELY UNIQUE. THIS IS A VEHICLE THAT WELCOMES BOTH SUNSHINE AND CARGO WITH EQUAL ENTHUSIASM. ITS MISSION? LET NOTHING STOP YOU FROM FEELING THE WIND IN YOUR HAIR AND FROM BECOMING ONE WITH THE SURROUNDING SCENERY.

REMOVABLE TOPS⁷

With the Segment-Exclusive Available 3-Piece Removable⁷ Hardtop,² open-air driving has never been more fun. Both the Sunrider® Flip Top for Hardtop from Mopar® and the standard Premium Sunrider Soft Top makes it a breeze.

FOLD-DOWN WINDSHIELD⁷

The Jeep Gladiator Class-Exclusive Fold-Down Windshield^{2,7} is framed in aluminum and is easy to unfasten, fold down and secure to the hood with available straps from Mopar.

REMOVABLE DOORS⁷

Jeep Gladiator has Segment-Exclusive Standard Removable⁷ Doors.² The lightweight aluminum doors are designed for easy removal with the included TORX® toolkit.

TOP IT
OFF

YOUR WAY

PREMIUM SUNRIDER® SOFT TOP

Standard on all Jeep® Gladiator models with an easy-to-use, zipperless design. Its simple operation allows the top to glide open with the help of spring-loaded support bars. Crafted from heavy-duty, waterproof cloth material and comes in Black.

FREEDOM TOP® MODULAR HARDTOP

This three-piece hardtop is light and easy to remove. For a full open-air experience, you can take off all three sections or let in the sun by just removing the two front panels. Available in Black or Body-color, depending on model.

Properly secure all cargo.

SAY HELLO TO THE SKY

Jeep® Gladiator expands your world and lets the sunshine in. Choose multiple ways to open up, including the flip-back convenience of the Mopar® Sunrider® Flip Top for Hardtop and the flexibility of having both full and half doors with the Dual Door Group. Or just remove⁷ the doors altogether, turn down the windshield⁷ and go.

DUAL DOOR GROUP

For every reason and season, maximize your options with a full set of both full doors with power glass windows and half doors that offer an undeniable open-air look and feel while still having the benefits of power, heated mirrors, and power locks. Half doors are available with a premium upper door or no upper door at all.

SUNRIDER® FLIP TOP FOR HARDTOP

Find a whole new way to see the sun, moon and stars with the Sunrider Flip Top for Hardtop. Made with premium materials for year-round use, the Sunrider Flip Top for Hardtop replaces the Freedom Panels with a soft top that can easily open — and close — in seconds. Available from Mopar.

Available Mopar® Doors-Off⁷ Mirror Kit

LOVE IT FROM THE INSIDE OUT

HEATED STEERING WHEEL

Set this optional feature to automatically warm the full 360-degree circumference of the wheel when temps dip below 40 degrees Fahrenheit. Available.

REMOTE START SYSTEM⁸

Climb into a pleasantly preheated or precooled Jeep® Gladiator — up to a 300-foot range. Available.

DUAL-ZONE AUTOMATIC TEMPERATURE CONTROL

Constantly adjusts the air temperature inside the cabin to create separate customized environments for driver and front passenger. Available.

AVAILABLE 12-WAY POWER FRONT SEATS

Little adjustments make a big difference in your level of comfort, no matter how long the trip.

COZY CABIN

WITH NODS TO ITS JEEP® BRAND HERITAGE, THIS INTERIOR DELIVERS A MODERN TAKE WITH PREMIUM MATERIALS AND CREATURE COMFORTS, SCALING NEW HEIGHTS IN MUST-HAVE TECHNOLOGY.

HEATED FRONT SEATS

You have three adjustments to choose from for the front-row seats, so you can tailor your level of warmth to weather conditions and personal preference. Available.

HEATED MIRRORS

Keep ice from building up and blocking your view with the safety and security of heated side mirrors. Available.

REMOTE PROXIMITY KEYLESS ENTRY

Keep the key fob in your pocket, and you can simply open the door, get comfortably seated with your foot on the brake, press the Start button and head out. Standard on Mojave and Rubicon.®

JEEP® AIR FILTRATION SYSTEM

We have designed the air filtration system in Jeep® Gladiator to provide fresh air for all. The Jeep Air Filtration System filters 95 percent of air particulates, reducing pollen, allergens and bacteria. Standard.

SIRIUSXM®

With the available SiriusXM®⁹ Platinum Plan (3-month trial subscription), you get a wide variety of entertainment from ad-free music to sports coverage to exclusive talk channels to comedy to complete news coverage. With the SiriusXM App⁹, there's even more to experience with 425+ channels to enjoy on your phone and at home on your connected devices. Available.

PHONE / TEXT

Pair up to eight phones, make calls, use voice commands to hear and respond to texts,¹⁰ select media stations and access navigation (if equipped). Includes Apple CarPlay^{®11} support with your connected iPhone[®] and Android Auto^{™12} compatibility. Standard.

4G WI-FI HOTSPOT¹³

A 4G Wi-Fi Hotspot¹³ (3GB or 3-month trial subscription) connects with up to eight devices within 50 feet of your vehicle. Available.

UCONNECT® 5 WITH NAVIGATION

Offering an easy-to-use, fully integrated, customizable experience using the most up-to-date 2D and 3D map and location technology available. From online searches that offer the most accurate results to maps that automatically adjust from high-level to street view, the system is state-of-the-art in every way. Available.

JEEP CONNECT¹⁴

Jeep Connect¹⁴ (3-month trial subscription) incorporates safety and security features along with an ever-growing list of capability and convenience services — available inside the vehicle and remotely through the Jeep App⁵.

CONNECTED TRAFFIC AND TRAVEL SERVICES¹⁶

Watch your navigation map¹⁶ come to life. Traffic provides timely updates and suggests alternate routes to get you to your destination hassle-free. Available.

JEEP® SKILL FOR ALEXA¹⁵

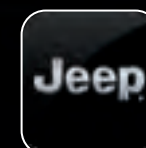

Connect to your vehicle from virtually anywhere with Jeep® Skill for Alexa.¹⁵ Just ask Alexa to start or stop the engine, check the fuel level, tire pressure and more from any Alexa enabled device. Available.

A LOT TO CONNECT WITH

The Uconnect® system is your customizable, connected vehicle platform dedicated to safe and seamless communication, navigation and entertainment — all from one easy-to-use Uconnect touchscreen. You're always connected with Uconnect, whether in your vehicle or via the Jeep® App⁵ on your device, which allows you to locate your vehicle and more.

AND RELATED SERVICES AT
DRIVEUCONNECT.COM OR THE
JEEP® APP⁵

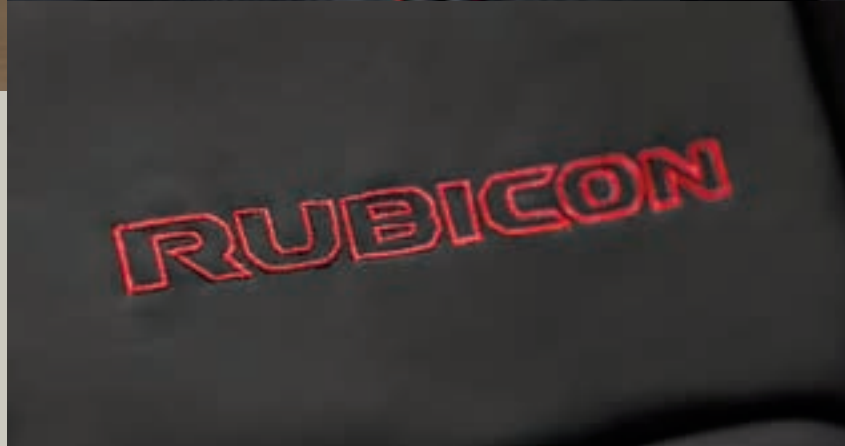

THE BIG VIEW

7-INCH DRIVER INFORMATION DISPLAY

Front and center in the gauge cluster, you'll find a wealth of scrollable vehicle data in full color that you safely control via steering-wheel buttons. Standard on Rubicon,[®] Mojave and Willys.

DURABLE STYLE

Jeep[®] Gladiator is crafted with premium materials and great attention to detail, so you can pay attention to the road ahead in comfort. This is style that steps it up to perform extra duty for both business and pleasure.

CONVENIENCE CENTER

WINDSHIELD WITH CORNING® GORILLA® GLASS

Three times as tough as conventional glass, this windshield uses soda-lime glass on the outside of the vehicle and Corning® Gorilla® Glass on the inside, creating a hybrid that is lighter, clearer and even designed to withstand higher forces of impact than the standard windshield. Standard on Sport S, Willys, Mojave and Rubicon®.

WEATHERPROOF PUSH-BUTTON START The standard push-to-start button is protected by a water-resistant shield, so you're able to start up and head out should the weather outside accidentally come inside.

WASHABLE INTERIOR Not only is the carpet weather-resistant, but it can be removed to reveal drain plugs that, when removed, allow the floor to be easily hosed out. Standard.

COMMAND CENTER It's all conveniently laid out and right at hand. Important functions and settings are arranged on the front dash and console, providing access via quality dials and firm buttons. Standard.

MORE POWER TO YOU With the Most Available USB Ports^{2,17} in Its Class, you can power up with the USB port,¹⁷ micro USB port, 12-volt outlet and the audio jack situated on the front dashboard. An additional available 115-volt outlet and two USB ports¹⁷ are on the rear of the center console, especially handy for device users in the second row.

FRONT-WINDSHIELD STEALTH ANTENNA A new trail-ready stealth antenna integrated into the front windshield replaces the previous steel mast antenna, streamlining the appearance of the Jeep® Gladiator and eliminating brush or tree limb snags on the trail. Standard.

READY TO ROCK

ALPINE® PREMIUM SOUND SYSTEM

Experience immersive sound with nine speakers, an overhead sound bar, an all-weather subwoofer and a 552-watt amplifier. Available.

ALPINE®

PORTABLE WIRELESS SPEAKER

Tucked behind the rear seat is a wireless speaker that boasts the Highest Level of Dust Protection for a removable speaker with wireless connectivity!¹⁸ Control buttons allow volume control, play/pause and pairing. A USB charging port and auxiliary cable input extend functionality. It also resists water (for up to 30 minutes in up to 1 meter of depth), which is great for tailgating and camping. Available.

ELECTRONIC STABILITY CONTROL (ESC)¹⁹

A vehicle-wide network of safety sensors helps maintain vehicle control, providing instant aid should it detect you're veering off your intended path. ESC¹⁹ coordinates Electronic Roll Mitigation (ERM), Antilock Brake System (ABS), Traction Control and Trailer Sway Damping (TSD);²⁰ sending them into action when needed. Standard.

ALWAYS READY AND
SURE-FOOTED

DESIGNED TO SUPPORT YOUR ADVENTUROUS NATURE,
JEEP® GLADIATOR OFFERS OVER 85 STANDARD AND AVAILABLE
SAFETY AND SECURITY FEATURES THAT WORK TO HELP YOU
SUCCESSFULLY NAVIGATE CHALLENGING WEATHER AND TERRAIN.

ADVANCED SAFETY & SECURITY SYSTEMS

WHEN IT COMES TO YOUR WELL-BEING ON THE ROAD, JEEP® GLADIATOR IS READY AND WILLING TO STAND AS A CHAMPION. GLADIATOR OFFERS MORE THAN 85 STANDARD AND AVAILABLE SAFETY & SECURITY FEATURES. SENSORS AND CAMERAS KEEP WATCH AROUND YOUR PERIMETER TO HELP PROVIDE PEACE OF MIND.

BLIND SPOT MONITORING²¹ AND REAR CROSS-PATH DETECTION³

Maintain a safe perimeter with the help of these sensor systems. Chimes and illuminated icons notify you when side or rear blind spots are encroached. Available.

PARKSENSE® REAR PARK ASSIST SYSTEM²²

Works in tandem with the ParkView® Rear Back-Up Camera³ to help display previously hidden objects, bringing them to your attention on-screen and with an audible warning so you have time to react. At speeds below 4 mph, the system will automatically bring the vehicle to a stop if an object is detected. Available.

FULL-SPEED FORWARD COLLISION WARNING PLUS²³

Uses radar and sensors to video-detect when you may be approaching another vehicle too rapidly. An audible and visual alert is given or the system assists the driver in mitigating a potential collision. Standard on Sport S, Mojave, Rubicon® and Willys.

HILL START ASSIST (HSA)

Take to the hills fully loaded with confidence and a bed filled with goods. HSA works to prevent your vehicle from rolling when starting on an uphill gradient. Standard.

FORTRESS OF FORTITUDE

THIS HIGH-STRENGTH BODY STRUCTURE
HELPS PROTECT OCCUPANTS AND OFFERS
FEATURES THAT BRING ADDED ASSURANCE.

FIRST- AND SECOND-ROW SIDE-CURTAIN AIR BAGS²⁴ New for 2024, standard side-curtain air bag²⁴ protection covers occupants both in front and back.

BODY STRENGTH The exceptionally solid safety cage consists of high-strength steel paired with lightweight aluminum, designed to make Jeep® Gladiator light in weight while still providing a very strong chassis. Standard.

ADVANCED MULTISTAGE AIR BAGS²⁴ In the unfortunate occurrence of a collision, these air bags²⁴ deploy nearly instantaneously, providing occupant protection that's matched to crash severity. Standard.

SUPPLEMENTAL FRONT-SEAT-MOUNTED SIDE AIR BAGS²⁴ Deploying from the outboard side of each front seat, these air bags²⁴ enhance the protection of the driver and front-seat passenger in certain impacts. Standard.

ULTRASONIC AND ANTI-TILT SECURITY SYSTEM The alarm is activated by virtually any unauthorized movement, such as wheel removal or towing; illegal opening of a door, hood or swing gate; ignition start; cutting of battery leads; or motion inside the cabin. Available.

SENTRY KEY® ANTITHEFT ENGINE IMMOBILIZER A unique, embedded key code matched only to your vehicle helps keep your Gladiator safe and secure where you parked it. Standard.

ENHANCED ACCIDENT RESPONSE SYSTEM (EARS) This system helps make it easier for emergency personnel to see and reach occupants in the event of an accident, turning on interior lighting, flashing hazard lamps and unlocking power doors after air bag²⁴ deployment. Standard.

LED LIGHTING

Maintain a unique — and safe — presence after dark, and add extra visual security during the day. The traditional round headlamps are equipped with unique daytime running lamps (DRLs), and the LED headlamps, taillamps and front LED fog lamps are designed to enhance visibility during inclement weather. Available. LED headlamps, taillamps, fog lamps and DRLs are standard on Mojave and Rubicon® models.

UCONNECT® INTEGRATED VOICE COMMAND WITH WIRELESS TECHNOLOGY

This important feature allows drivers to send, reply or listen to a text¹⁰; take or make phone calls; request detailed information like fuel prices; and more while keeping both hands on the wheel. Standard.

JEEP CONNECT¹⁴ WITH SOS CALL²⁵ AND ROADSIDE ASSISTANCE CALL²⁶

Provides help in the event of an emergency on the road. Press the SOS²⁵ button above the rearview mirror to be connected to an agent who can direct emergency assistance to your location. Press the Assist button above the rearview mirror, followed by Roadside Assistance²⁶ on your touchscreen, to speak to an agent who can send roadside aid. Available.

PULL WITH CONFIDENCE

TRAILER SWAY DAMPING (TSD)²⁰ When you're towing valuable toys, it's critical to help keep things under control. TSD²⁰ helps improve handling should crosswinds or traffic become challenging. The system continuously monitors vehicle movement and adjusts brake pressure to individual wheels until you're moving safely forward once again. Standard.

TRAILER BRAKE CONTROL Raise or lower the brake pressure of your trailer brakes with the turn of a dial. Dealer-available option / late availability.

PARKVIEW[®] REAR BACK-UP CAMERA³ WITH AVAILABLE TRAILER HITCH ZOOM³ When the vehicle is in Reverse, the Uconnect[®] screen displays a wide-angle view of what's immediately behind your vehicle, revealing objects that may have been out of your sight line. On-screen dynamic grid lines help you see your back-up path or line up a trailer to your hitch. You'll also be able to keep an eye on your tow load while in motion when properly equipped. Available.

CARGO SOLVED

LOCKABLE REAR UNDERSEAT STORAGE BIN

Hidden under the rear seat, Jeep® Gladiator offers Segment-Exclusive Available Lockable Rear-Underseat Storage² with room for plenty of gear. It includes two independently locking doors, movable dividers and a carry handle. Available.

FLEXIBLE REAR SEATING The 60/40 split-folding rear seat can be configured multiple ways. Both seatbacks can be folded down independently, or the seat bottoms can flip up. Standard.

LOCKABLE BEHIND-SEAT STORAGE The rear seatbacks can be locked upright using the vehicle key, providing secure storage behind the seat, especially helpful when the top is off and the doors are removed.⁷ Standard.

LOCKABLE GLOVE BOX AND CENTER CONSOLE

These locking compartments are large and provide essential peace of mind. Standard.

BINS AND POCKETS The cabin is designed to help you stay organized with cubbies, pockets and bins throughout, giving you plenty of places to store phones, computers, tablets, maps, gaming devices and more. The two-tiered center console has a main bin big enough to fit a tablet and a convenient top tray for smaller gear. Cup holders are sized to hold larger beverage containers and have a dedicated slot for cell phone or key fob storage.

HARDWARE STORAGE There's even a covered compartment under the rear seat to securely hold the bolts from the top, doors and windshield.

ACTION-PACKED

CARGO GROUP WITH TRAIL RAIL™ SYSTEM

Keep cargo organized, secure and easily at hand. Three embedded rails with adjustable tie-down sliders run along the inside of the truck bed and behind the cab. This Group also includes a 240-amp alternator, lockable rear underseat storage, roll-up tonneau cover, exterior 230-volt and 115-volt AC outlets, and a 400-watt inverter. Available.

THREE-POSITION, SOFT-OPEN TAILGATE

The standard, lightweight, aluminum tailgate is damped for safe and smooth opening and closing. It can be set in three different positions, allowing you to securely transport items of various sizes, including 4 x 8-foot sheet goods.

ROLL-UP TONNEAU COVER

Keep the valuables stored in your truck bed covered and protected. Made of extremely durable, water-resistant material, this cover rolls out from the cab and secures at the tailgate. You can flip back the last section to allow loading of longer items while keeping the rest of the tonneau and tailgate closed and secure. Durable straps secure the tonneau in its rolled position. Available.

MORE THAN TOUGH ENOUGH

A traditional steel bed utilizes steel crossmembers to reinforce the load floor while the aluminum tailgate is damped. Utility and versatility are maximized with strong, integrated tie-downs, LED bed lighting and an optional, covered, external, 115-volt power source.

SPRAY-IN BEDLINER

This durable and attractive liner is available from the factory, helping to protect the cargo bed from whatever you throw at it. Available.

Properly secure all cargo.

WILLYS

4
WHEEL
DRIVE

WILLYS EDITION This offering of Jeep® Gladiator is inspired by the original Willys Jeep Truck introduced in 1947, now shifting gears for a modern retelling of a classic tale. Standing proud with a special appearance, it arrives with unique Willys hood decals, Black wheels and big 32-inch mud-terrain tires. Standard rock rails and Trac-Lok® limited-slip rear differential enhance the capability.

Willys in Silver Zynith

MOJAVE

JEEP® GLADIATOR MOJAVE The Desert Rated® Mojave is built for high-speed, off-road capability and performance in grueling desert environments. FOX® front hydraulic jounce bumpers and 2.5-inch internal bypass shocks with external reservoirs bolster its sand cred. The proven Command-Trac® 4x4 system, with its 2-speed transfer case and 2.72:1 low-range gear ratio, is powered by the 3.6L Pentastar® V6 engine with 285 horsepower and 260 lb-ft of torque. A 6-speed manual transmission is standard for hands-on action. Inside, aggressive front seats with integrated bolsters help keep occupants comfortably in place.

Mojave X in Anvil

RUBICON®

JEEP® GLADIATOR RUBICON® Bearing the name that stands for ultimate mastery within the Jeep® Brand, Gladiator Rubicon® offers the features that make it worthy to master some of the world's most challenging terrains. The Rock-Trac® 4x4 system and an electronic sway bar disconnect are supported by heavy-duty, off-road Dana® 44 axles. The front and rear selectable lockers, plus performance shocks, raise its capability to the greatest of heights. A full complement of skid plates helps keep it all protected. Inside, the cabin boasts a long list of premium standard features.

(1) Jeep Gladiator is the only pickup truck in the industry with fold-down windshield, removable doors, removable soft top and removable hardtop. (2) Class Based on Ward's Small Pickup segmentation. Based on the latest available competitive information. (3) Always check entire surroundings visually before proceeding. (4) Based on manufacturer's-estimated 16 city/23 hwy/19 combined mpg rating when equipped with 3.6L Pentastar V6 engine with 6-speed manual transmission. Manufacturer's-estimated 17 city/22 hwy/19 combined mpg rating when equipped with 3.6L Pentastar V6 engine with 8-speed automatic transmission. Actual mileage may vary. (5) App features may vary between vehicle, model year and the connected services available. (6) Do not attempt water fording unless depth is known and consistent with the vehicle's water fording rating in the Owner's Manual. Traversing water can cause damage that may not be covered by the new vehicle warranty. Always off-road responsibly in approved areas. (7) Be sure to follow all instructions in Owner's Manual for removal of top and doors, and lowering of windshield. Driving with the doors off and windshield down is for off-road use only. (8) Check state and local laws regarding the use of remote start systems. (9) All SiriusXM services require a subscription, sold separately by SiriusXM after the trial period. Your SiriusXM service will automatically stop at the end of your trial unless you decide to subscribe. **If you decide to continue service after the trial, the subscription plan chosen will automatically renew and be charged according to your chosen payment method at then-current rates.** Fees and taxes apply. See the SiriusXM Customer Agreement & Privacy Policy at www.siriusxm.com for full terms and how to cancel, which includes online methods or calling 1-866-635-2349. Available in the 48 contiguous United States, D.C., and Puerto Rico (with coverage limits and capable receiver). Visit www.siriusxm.com/FAQS for most current service area information. Availability of some services and features is subject to device capabilities and location restrictions. All fees, content and features are subject to change. SiriusXM, Pandora and all related logos are trademarks of SiriusXM Radio Inc. and its respective subsidiaries. (10) Voice Text Reply feature requires a compatible mobile device that supports text messaging and wireless connectivity. Visit www.UconnectPhone.com for system and device compatibility. (11) Requires compatible iPhone. See dealer for phone compatibility. Data plan rates apply. Vehicle user interface is a product of Apple. Apple CarPlay is a trademark of Apple Inc. iPhone is a trademark of Apple Inc., registered in the US and other countries. Apple terms of use and privacy statements apply. (12) To wirelessly use Android Auto on your display, you need a compatible Android smartphone with an active data plan. You can check which smartphones are compatible at g.co/androidauto/requirements. Android Auto is a trademark of Google LLC. (13) 3-month/3GB trial included with the purchase or lease of a new vehicle. Upon the earlier of expiration of the trial period or usage of included 3GBs, trial ends. Purchase of a subscription is required to continue service. Wi-Fi Hotspot available through third-party provider subscription and subject to provider terms and conditions. Requires eligible vehicle with internet-enabled mobile device. Contact your dealer for details. Wi-Fi hotspot functionality available in U.S. & Canada only. Coverage and service not available everywhere. This feature is not intended for use by the driver while the vehicle is in motion. Always drive carefully. (14) All vehicles properly equipped to receive connected services come with a three-month trial of Assistance Package or Assistance + Navigation Package (if equipped), five years of Vehicle Performance Package, and 10 years of Safety and Security Package effective from the date of purchase or lease of a new vehicle. Enrollment in trial is required to receive services. Upon expiration of trial period, purchase of a subscription is required to continue or renew services. Services are available on equipped vehicles purchased within the United States, Canada, and Puerto Rico. Services can only be used where cellular coverage is available. See the applicable Terms of Service for complete terms and conditions, including service limitations. (15) Vehicle must be enrolled with Jeep[®] Connect, be in an active and usable cellular range, have an active subscription, and properly equipped with a Uconnect[®] 5 or Uconnect 5 NAV system. Certain Alexa functionality is dependent on smart home technology. (16) Not all vehicles or devices are capable of receiving all services offered by SiriusXM. Data displays and individual product availability vary by vehicle hardware. Current information and features may not be available in all locations, or on all receivers. Weather Forecast, Current Conditions may not be available in all locations. (17) For supported file formats, refer to the USB Port section of the Owner's Manual or DVD. (18) Based upon the International Protection (IP) Rating. Defined by international standard IEC 60529. (19) Always drive carefully, consistent with conditions. Always wear your seat belt and obey traffic laws. (20) Always drive carefully, consistent with conditions. (21) Always check visually for vehicles prior to changing lanes. (22) Always look before proceeding. An electronic drive aid is not a substitute for conscientious driving. Always be aware of your surroundings. (23) This system is an alert system for the front of the vehicle. It is not a substitute for active driver involvement. The driver must remain aware of traffic conditions and be prepared to use the brakes to avoid collisions. (24) Always sit properly in designated seating positions with seat belts securely fastened at all times. (25) Vehicle must be enrolled with Jeep Connect and be in an active and usable cellular range. SOS Customer Care agent directs emergency assistance to your vehicle's location. (26) Provides direct dial access to Roadside Assistance Service.
