About the South Metro Professional Firefighters Foundation

The mission of The South Metro Professional Firefighters Foundation is to provide Colorado First Responders and their families' assistance in times of serious illness, injury, or loss of life.

We are a local non-profit organization recognized by the IRS for the purpose of raising monies to distribute in these hardship cases. Our foundation has been able to provide funds to firefighters and police officers from Denver Fire, Douglas County Sheriffs, Englewood PD, Aurora Fire, West Metro Fire, Arvada Fire, Cunningham Fire, and our own South Metro Fire. We are one of the largest charity events in the state of Colorado and we know that we cannot do it without continuous support from our community.

This years Gala will be held at The Denver Marriott South in Lone Tree. The event hosts 400+ members of our community and supporters of our great cause, and consists of a live and silent auction. The exposure that we provide to our donors is all encompassing, and the funds that we raise are much needed by our recipients. All monies raised from the event this year will go to support the many requests that we receive annually. Furthermore, all donations and sponsorships are tax deductible through the IRS due to our 501c3 charitable foundation status.

We are currently seeking items for our live and silent auctions that will assist us in raising funds for our Foundation. Items can be picked up by a South Metro Professional Firefighters volunteer, or they may be mailed to **Matt Talafuse at 14246 Greenfield Loop, Parker CO 80134.**

Would you like to join us at this years event? Please visit www.SMPFF.org to purchase tickets!
