This update is both good news and bad news. It is a message of what we can do when we work together and it is a message of sacrifice when we fight for the right to choose freedom over tyranny.

On 22 September, I posted a letter from a friend and sister in Christ... Svetlana. In that letter, she asked for prayers for her son-in-law Zhenya who was in the combat group that liberated Lyman in the Luhansk Region. If you have not read that message, let me encourage you to go back to read it. You can also find it in the "reports tab" at www.ukrainemissions.org

On 4 October, I received word that Zhenya was killed in combat. His brother identified his body early this morning. Sveta has asked that Katya, Sveta and Pasha's daughter and wife of Zhenya remain faithful to Christ.

Here is her message (with permission) from earlier today.

"Today Zhenya's brother saw Zhenya's body and proved that it is really his body. But we pray for his resurrection!

We are on our way to Krivoy Rog (Zhenya's body is there) and we need to go more than 10 hours. We believe that God's Word is alive today too. "Wives (women) received their loved ones back again from death" (Hebrew 11:35)

Please pray and proclaim life. Katya believes and ask all to support her in faith and prayer."

On more positive news, a full trailer (about 15 tons) of medical supplies was delivered to Kharkiv Ukraine 30 September to care for the war wounded throughout the embattled regions.

“This was made possible thanks to joining in cooperation with KHLIB volunteers, organizations and individual people, namely:

- *The Hardin Valley Church of Christ and Ukraine Missions*
- *World of Connections*
- *@johnkachelman*

About 15 tons of humanitarian aid were delivered in total! Just imagine the volumes and number of people this would improve, or even save, lives! Tomorrow our volunteers will start distribution of medical materials to urban and regional hospitals!

*Thank you so much for your help!”
Mariia*

Editor’s Note:

Deliveries such as this are only possible with your support. To date, approximately \$1,000,000 in medical relief has been sent to Ukraine thanks to your generosity. There is more to do, so much more, please remember the war-torn Ukrainian people in your prayers and support. We are awaiting news on full containers of prepackaged food that will soon become available.

³⁴Then the King will say to those on his right, 'Come, you who are blessed by my Father, inherit the kingdom prepared for you from the foundation of the world.

³⁵For I was hungry and you gave me food, I was thirsty and you gave me drink, I was a stranger and you welcomed me,

³⁶I was naked and you clothed me, I was sick and you visited me, I was in prison and you came to me.'

Matthew 25:34–36 (ESV)
