

MOMS WITH CHILDREN BACK PACK

90% of refugees are women and children. Almost one of every two people leaving Ukraine or being displaced and remaining in Ukraine is a child. Approximately 4.3 million of the estimated IDP's are children. These backpacks include items in to be given out to mothers with children. The backpacks will be loaded and shipped to locations where refugees are located.

NOTE: Make sure that you include all of these items in each backpack.
