## ABOUT US

### TALENT ACCELERATION CORRIDOR

Founded in January 2016, "Talent Acceleration Corridor (TA Corridor)" is Delhi/NCR based one of the India's leading HR Consulting Services Firm, catering to various industry verticals including Technology Start-ups, Global IT Services & Products, Research & Analytics, E-Commerce, Internet etc.

#### WHAT WE DO?

Our hands-on solutioning, continuous talent market research and analysis keep our services at the forefront, so our clients benefit from proven methodologies, perspectives and best global HR practices. Our working philosophy is to build a strong business relationship with our prestigious partners which helps us maintain our reputation as an extended arm of client's HR team.

#### OUR USP

We are proven problem solvers who start adding value as soon as we begin our engagement with the clients which include those corporates and academic institutions who understand the importance of aligning human capital with corporate initiatives at a global level. We act as an architect of appropriate HR solutions in order to assist our clients in achieving the business objectives .

# GRAVITY

## Global Redeployment of Abilities via Intellectual Thrust and Youthfulness

This GRAVITY workshop helps remove old habits and unwanted feelings, and install new and more effective ways of thinking, acting and behaving. Here, the approaches are taught for communicating powerfully and for assisting students in finding solutions and transforming limitations into productive patterns. This will also help the students understand the mindset, skillset, and toolset, various facets of human behaviour, job interview skills, interpersonal relationships. It focuses on immediate application and feedback & provides multiple easy to recall models & mnemonics that provide clear action steps.

### Course Learning Outcomes

Deep understanding of corporate sustenance variables, presentation skills, advanced job interview techniques, group discussion, resume writing, world-class employability skills including personal branding, human handling skills, Business Etiquettes, client management, boss management, performance management, conflict management, time management, team management, DEI&B, etc which have life changing abilities in the way a student would approach and move in a dynamic environment of Corporate/Business Houses.

# HR GPT

## Holistic Resurgence & Groundbreaking People Transfiguration

This course provides a wide scope of learning & understanding of the subject "Human Resource Management". The program facilitates the learning of modern HR concepts, techniques and practices in the management of human resources and exposes the student to different functional areas of HR to enhance the effectiveness and efficiency of the organizations. This course has been specially designed to be highly practically oriented in order to ensure that the students undergoing this course would be capable to handle real life situations appropriately and effectively.

### Course Learning Outcomes

To understand the Global HR and Business Integration Insights, the future of HR in the new reality - Current HR Trends and Future, dissection of corporate culture and how HR plays a bigger role in it, HR, OD, OC, OB, L&D, Performance management, HR Operations, Employee Experience, Operating Model, Workforce Planning, alignment of Talent Acquisition function with top Business priorities, Compensation and Benefits, HR Technology - HRMS, HR Analytics & HR Competency Framework, etc.

WE LEAVE A MARK, NOT A STAIN

Are these not resonating with your HR goals? Am sure YES 😊

Let's make this work, join hands with us, sit back, relax and watch your organization grow leaps and bounds.

Make opportunities

# Take the next step.

Contrary to popular belief, great opportunities don't just rely on sheer luck. New jobs, great business ideas, and the right people—you have to develop habits to attract them at the right place, at the right time.

Here are five HR key development areas to keep an eye out for in 2023 & onwards...
