

PARKSIDE GL18 Posts are a beautiful feature for any home, backyard deck or poolside gazebo.

PARKSIDE GL18 POSTS

Introduction

Parkside Timber has been producing hardwood products for Australians for over 60 years. The natural durability of the species produced plus the high manufacturing standards we uphold means our products are among the highest quality in the marketplace.

Key Benefits

- Parkside products are grown in Australia and produced and manufactured for Australian conditions.
- Parkside heartwood is naturally insect and decay resistant while every piece is ACQ H3 treated, ensuring any sapwood that is used is also fully durable.
- Parkside Timber is a market leader in sawmilling due to their one of a kind sawmilling technology, so the quality is always second to none.
- Parkside GL18 Posts are all durability class 1 above ground species, giving you peace of mind your product will hold its integrity for over 40 years!
- Utilises resorcinol, a tried and proven lamination glue suitable for the toughest of applications.
- Parkside is Australia's largest producer of Spotted Gum products, so you'll enjoy knowing you're ordering from the Spotted Gum Specialists!

GLTAA Certification

Parkside is committed to quality and performance in everything we do. We have invested in third party accreditation for our GL18 Spotted Gum Laminated Posts through internationally recognised organisation, the Glue Laminated Timber Association of Australia (GLTAA).

This certification confirms Parkside GL18 posts adhere to and perform at a minimum of the Australian Standards in AS 1328, giving customers peace of mind that Parkside GL18 Posts will perform in their specified applications.

Warranty

When correctly installed and maintained, Parkside Timber is guaranteed to perform its intended function for the design life of that component. The terms of warranty will be provided with products when they are supplied. Refer to Parkside Glulam Installation Guides for handling, storage, installation and maintenance.

For further information please contact Parkside Timber on freecall 1800 257 099 or timber@parkside.biz.
