It is the goal of Grace Education Academy to provide the highest education possible in a Christian environment. To do this we have sought the best and most qualified teachers along with the needed resources required to achieve this goal. Therefore, parents who are not in keeping with their Financial Agreement with the school and whose account balance excessively in arrears (45 days late) may be suspended from attending classes. Accounts more than 30 days in arrears may have their grade access restricted and not receive their report card or school file information until the account balance is current or an approved payment schedule is approved.

Before and After School Care (Kindergarten – 12th Grade)

Parents/Guardians must complete an Extended Care Form indicating which services are required in order for the monthly rate to apply. The student's account will be automatically billed for these services and payment is due on the 1st of each month. The monthly rate will apply as a convenience regardless of the number of times the service is utilized. It is the parent's responsibility to update and submit a new form when there is a change in service.

School accounts of children without an Extended Care Form on file will be charged the daily rate regardless of the number of times the service is utilized. Please see the Parent/Student Handbook for additional information. All students are checked in by a daycare worker.
