

GEA NEWS

OCTOBER EDITION

A NOTE FROM DR. RIVERA-TUBBS

- Chapel day we wear white shirts with cross bow ties for girls and burgundy ties for the boys. This week we handed out 30 dress code violations. Please ensure that your child is wearing the appropriate attire.
- Cell phones are still an issue @ West Campus. Students have been asked repeatedly to NOT bring their cellphones to school. They continue to bring them and it continues to be a problem. We understand that many of you want to communicate with your students throughout the day but we have phones at both of our school sites. Your students can reach you using them and you can reach them. In an emergency, we would send out information immediately to notify you of what is happening and where and when to pick up your children.

The phone numbers are as follows:

West Campus (Hearth Road) is: (352) 835-7112. ~ Main Campus: (352) 549-2742 ~ Day Care: (352) 340-4595

VOLUNTEERING

The first week of September notices were sent home regarding volunteer opportunities. As with most small private schools in the area we rely heavily on parent involvement; to date only 3 parents returned the volunteer forms. Needless to say we cannot accomplish many of the things we would like to do for the things we would like to do for our students without more help. There are many ways to help = many hands make light work. Please reconsider your availability and contact **Sue Baer** at **(352)702-8098** or email sue.j.baer@gmail.com and she will get in touch with you to discuss the areas where more help is needed. Thank you
