A message from Dr. Rivera-Tubbs

Welcome back staff, students and parents! I have missed each and everyone of you over the summer! I hope you all have had the ability to get some much needed rest and some quality family time! I was blessed to have taken two weeks and go home to Puerto Rico at the beginning of the summer and spend quality time with my family too. It is good to be back and starting this new year!!!! YEAR THREE (3) Here we go!!!! God is good.

What is NEW

Wow! Where to begin! Well our main building is just for preschool - 2nd grade! The daycare is fully running and there are many babies over there! That is Grace Education Academy, Early Learning Center. We now have added 6,000 sqft on Hearth Road! Grace Education Academy, West is for 3rd grade through 12th grade! When we finished last year we had 120 students (June 3) and now we are opening this school year with 220 students! God is moving mountains! Our school is steady growing and we have so many new families joining our school! If you see someone new, make sure to welcome them "home." We have added 9 new teachers and 8 new teachers assistants.

Prayer Request
