A note from the Principal

This year seems to be flying by! I honestly remember enrolling students and wondering how we would begin this our fourth school year. Now we are almost halfway through the year! How is this even possible? Can you believe it? Christmas is just a few weeks away!

Things to consider

As we begin to navigate holiday plans, please remember that when students return from their break, they will have finals from January 10 to 12. Students should be on time and prepared to take their final exams. Exams will begin promptly at 9:00 for students in grades 6 through twelve. Grades will count for the quarter and combined for semester grades.
