GEA NEWS

A NOTE FROM DR. RIVERA-TUBBS

Welcome to the 2025 - 2026 SY! It is our 6th year! What a blessing it has been! As we prepare to begin this year, we invite you to join us in prayer for our Staff, every one of our students, our administrators, our pastor, and our school. West Campus drop-off: until December, we will be using the back road behind the school for pick-up and drop-off. Please make sure that you are as close to the right side as possible and do not block the road. Please remind your child to have their belongings ready when you drop them off, so that the transition is as smooth as possible. We understand that parking is limited at both locations. At the Main campus, we ask that you do not use any of the parking spots behind the building that houses the chiropractor's office, the nail salon, or the gym. If you could please park near the side of the building or the front of our building, if you need to park. We have staff at both locations who will open doors for your children. Please do not block the lines when picking up or dropping off by getting out of the car. We appreciate your support.

LIONS DEN

Seeking members for GEA Lions Den!! Please reach out to Melony Rice-Jones for more information @ PTA.GEA.2020@gmail.com.

VOLUNTEERING

Needless to say we cannot accomplish many of the things we would like to do for our students without more help. There are many ways to help = many hands make light work. Please reconsider your availability and contact Melony Rice - Jones at (352) 573-4756 or email PTA.GEA.2020@gmail.com and she will get in touch with you to discuss the areas where more help is needed. Thank you
