

**HEAVENLY ORANGE FLUFF  
C. Carr's Recipe**

**2 pks. Orange Jello            2 cups hot water  
1 small can frozen orange juice, undiluted  
2 cans mandarin oranges, drained  
1 large can crushed pineapple, NOT drained**

**Mix Jello with the hot water; stir in orange juice & cool. Add oranges, pineapple to mixture. Pour into dish to congeal.**

**Topping: 1 pkg. Instant lemon pudding  
          1 cup milk  
          ½ pint whipped cream**

**Beat pudding with milk until slightly firm. Whip cream separately; then fold into pudding. Spread on Jello mixture. Chill. Cut in squares.**

**NOTE: I can no longer find the small can of frozen orange juice, so I have to use the large one and guess at the needed amount.**

**This works best using a 9 x 12 pan.**
