The American Society of Appraisers (ASA) is the oldest and only multidisciplinary society that teaches, tests and awards highly sought-after and respected professional appraisal designations. Designations that speak volumes about the appraisers who hold them.

Advance your career, gain an incredible depth of knowledge with comprehensive education programs in the appraisal profession and get to know an international network of preeminent appraisal experts linked in membership, across all appraisal disciplines.

What Does ASA Say About You
• Committed to Excellence
• Educated and Experienced at the Highest Level
• Tested and Vetted
• Accurate, Impartial and Credible
• Focused on Getting the Job Done Correctly for Clients
