

Hello!

Thank you for your interest in our Alpaca Virtual Meeting. We would love to discuss providing you with this service. We just need a bit more information and we'll get you booked into our calendar.

**Please Tell Us:**

\*Which of the electronic meeting apps will you be using? (If you have access to Zoom, we have found it to work best).

\*What type of meeting is it? i.e. Business meeting; family gathering; social group; birthday party, etc. (If business meeting, what is the nature of the business)?

\*How many attendees are you expecting?

\*What time zone are you in?

\*Is this a surprise or not?

\*Will we be joining the meeting from the beginning or once it's already in progress?

\*How much time are you scheduling for our portion, and is this firm or flexible? (A full tour typically takes 30 minutes, but we are flexible).

\*How did you hear about us?

**What You Should Know:**

You will send us the invitation link once it's ready. There will be two of us joining your meeting and will provide you with both addresses once we have confirmed your appointment. One of us operates the camera for the tour and one will moderate, convey questions and guide the camera operator. For large groups, it's best for the host to mute everyone but themselves and the two of us during the tour. All others may use the chat feature for questions and they will be relayed to the tour guide in real-time for an answer.

We will be providing our farm and store website information in the chat feature or your meeting to allow your guests the information to further research alpacas or to shop our online store. We humbly accept donations so we may continue providing these Alpaca Virtual Tours and education for people all over the world. All of this information is on our website at [mainealpacaexperience.com](http://mainealpacaexperience.com). We encourage shopping our website to experience the amazing quality of alpaca products.

Once you look this over and decide to proceed, just drop us a note at [mainealpacaexperience@gmail.com](mailto:mainealpacaexperience@gmail.com) and we'll get the process underway.

Thank you so much!
