

Hello!

Thank you for your interest in our Alpaca Virtual Meeting. We would love to discuss providing you with this service. We just need a bit more information and we'll see about getting you on our calendar.

If you would let us know:

- *Which of the electronic meeting apps will you be using?
- *What type of meeting is it? i.e. Business meeting; family gathering; social group; birthday party, etc. (If business meeting, what is the nature of the business)?
- *How many attendees are you expecting?
- *Is this a surprise or not?
- *Will we be joining the meeting from the beginning or already in progress?
- *How much time are you scheduling for our portion, and is this firm or flexible?

How does this work?

You or the meeting host will send us the invitation link. We will have 2 people joining your meeting and will provide you with both addresses. One operates the camera for the tour and one will join to answer questions and guide the camera operator. It will be necessary for the host to mute everyone but themselves and the 2 of us during the tour. Everyone else may use the chat feature for questions and they will be relayed to the tour guide in real-time for an answer.

As there is no fee for this meeting, we do ask that we are allowed to share our website information with your attendees who may become customers or may like to make a donation to future farm tours.

Once you look this over, if you want to proceed, just drop us a note and we'll get the process underway.

Thanks so much!
