Property Condition Disclosure Statement

Name of Seller or Sellers: John Smith

Property Address: 1 Blackacre Ave, Williston Park, N.Y. 11596

General Instructions:

The Property Condition Disclosure Act requires the seller of residential real property to cause this disclosure statement or a copy of thereof to be delivered to a buyer or buyer's agent prior to the signing by the buyer of a binding contract of sale.

Purpose of Statement:

This is a statement of certain conditions and information concerning the property known to the seller. This Disclosure Statement is not a warranty of any kind by the seller or by any agent representing the seller in this transaction. It is not a substitute for any inspections or tests and the buyer is encouraged to obtain his or her own independent professional inspections and environmental tests and also is encouraged to check public records pertaining to the property.

A knowingly false or incomplete statement by the seller on this form may subject the seller to claims by the buyer prior to or after the transfer of title.

"Residential real property" means real property improved by a one to four family dwelling used or occupied, or intended to be used or occupied, wholly or partly, as the home or residence of one or more persons, but shall not refer to (a) unimproved real property upon which such dwellings are to be constructed or (b) condominium units or cooperative apartments or (c) property on a homeowners' association that is not owned in fee simple by the seller.

Instruction to the Seller:

- Answer all questions based upon your actual knowledge.
- Attach additional pages with your signature if additional space is required.
- Complete this form yourself.
- If some items do not apply to your property, check "NA" (Non-applicable). If you do not know the answer check "Unkn" (Unknown).

Seller's Statement:

The seller makes the following representations to the buyer based upon the seller's actual knowledge at the time of signing this document. The seller authorized his or her agent, if any, to provide a copy of this statement to a prospective buyer of the residential real property. The following are representations made by the seller and are not the representations of the seller's agent.

ENVIRONMENTAL

Note to Seller:

In this section, you will be asked questions regarding petroleum products and hazardous or toxic substances that you know to have been spilled, leaked or otherwise been released on the property or from the property onto any other property. Petroleum products may include, but are not limited to, gasoline, diesel fuel, home heating fuel, and lubricants. Hazardous or toxic substances are products or other material that could pose short or long-term danger to personal health or the environment if they are not properly disposed of, applied or stored. These include, but are not limited to, fertilizers, pesticides and insecticides, paint including paint thinner, varnish remover and wood preservatives, treated wood, construction materials such as asphalt and roofing materials, antifreeze and other automotive products, batteries, cleaning solvents including septic tank cleaners, household cleaners, pool chemicals and products containing mercury and lead and indoor mold.

Note to Buyer:

If contamination of this property from petroleum products and/or hazardous or toxic substances is a concern to you, you are urged to consider soil and groundwater testing of this property.

\

13. Is the property subject to any requirement under federal law to obtain and maintain flood insurance on the property? If yes, explain below ☐ Yes ☐ No ☐ Unkn ☐ NA

- Homes in the Special Flood Hazard Area, also known as High Risk Flood Zones, on FEMA's flood insurance rate maps with mortgages from federally regulated or insured lenders are required to obtain and maintain flood insurance. Even when not required, FEMA encourages homeowners in high risk, moderate risk, and low risk flood zones to purchase flood insurance that covers the structure(s) and the personal property within the structure(s). Also note that homes in coastal areas may be subject to increased risk of flooding over time due to projected sea level rise and increased extreme storms caused by climate change which may not be reflected in current flood insurance rate maps.
