W The Lord of light & Life
The Lord of light & Life, the SUN
Awakes the dawning Day
Unseals the eyelids of the Morn
And pours the increasing DAY

Oh when a night it was the wrapped up
The heathen world in gloom
Oh when a sun when rose this day
Triumphant from the Tomb

This Day be grateful homage paid
And loud hosannas sung
Let gladness dwell in every heart
And praise on every tongue

Ten thousand different lips shall join
To hail this welcome Morn
Which scatters its blessings from the wings
To nations yet unborn.

WORDS & WORDS

1) They are all around us.

SUNDAY

MONDAY

TUESDAY

WEDNESDAY

We see them. We use them

Some are harsh words - Some

Some are soothing words - Sweet -

Some are biting words - Pungent.

2) Words can give pain & sorrow

Words can give joy & pleasure

Words can give caution & directions

They are all vital for communication

When words are spoken they are going to

create some reactions - negative or positive

either thoughts are triggered / emotions / actions performed

3) Words colour our behavior too

How lovely it is to hear words which are calm

to hear words that lift us free from various aggressions

we renewed vigour & more strength to face risk

24 Such words are sparks of purity

We shall not covet our neighbor's goods

But rejoice at the fortunes of others

MANEESH

25

Monday

While in Kasi, one miracle happened upon Sankara. One day he had his early morning bath. Was returning in the bylane to his home.

26

Tuesday

He found an outcaste (dog-eater) smelling badly all over his body, in tattered clothes & having toddy poured on his shoulder coming in opp. direction.

27

Wednesday

There was no scope for both to cross without rubbing each other & brushing each other. Sankara cried: Anchi Vaste Dhenu Brustha Gacha Gacha Idhi Abraheer-
"Oh outcaste move away - Move away"

28

Thursday

The outcast asks Sankara three questions:
a) Whom do you want to move away?
b) Is there any diff between sun reflecting on face of son in my mud pot
c) Luv's teddy better a brahmin & dog-eater outcast

As you would have noticed from ~~Friday~~ ^{the} **5**
synopsis of my Autobiography, I have been
through the practice of writing one page
everyday on something or other, which over
the years, I have developed into ~~some~~ ^{Schedule} ~~systematic~~ ^{of use full writing} ~~increasing it~~ ^{from "one page" to "not less than one page"} **6**
as many pages as I can within available time

Later, I further streamlined my writing ^{Sunday} **7**
into a purposeful & useful material for
my Autobiography with perfect belief in the saying:
"Reading makes a Man **full** while writing makes him **EXACT**.
While conference make a man **Ready** for onslaught."

My Writing Schedule includes 1999

 Let Purpose guide the little lives of MEN
 The purpose which the Masters know & serve

From the Center which we call Race of MEN
 The purpose which Masters know & serve
 Let the Plan of Love & Light walk on
 May it seal the door where EVIL dwells

From the Avatar of Synthesis who is come
 Let his Energy pour down in all Kingdoms
 May he light up the Earth to the King of Beauty
 Let Love, Light & Power restore plan of Earth

JUNE

Evening prayer

14 Monday
Flag Day

May the light in me be the light before ME
May I learn to see it all
May the sound I utter
reveal the light in ME
May I listen but, while others speak

15 Tuesday

May the silence in & around ME
present itself

This silence which we break every moment
May it fill the darkness of noise we do
& convert it into the light of our background

16 Wednesday

Let Virtue be the strength of my Intelligence
Let Realisation be my Attainment
Let my purpose shape into purposes of God
Let my plan be an epitome of the Divine plan

17 Thursday

May we speak the silence without breaking it
May we live in the awareness of the background
May we transact light in terms of joy
May we be worthy to find a place
in the Eternal Kingdom of GOD

సంధ్యారందనము ఎందుకు చేయాలి.

సంధ్యారందనం, ఒక శాస్త్రాధారితమైనది.

మీ శరీరానికి శాంతిని కల్పిస్తుంది, దానివల్ల

ప్రయోజనాలు ఉంటాయి. ఆయుర్వేదం ప్రకారం

మరింతగా వ్యాధులు రాకుండా ఉంటాయి.

20/5/20

Every human being has come into this world with a predestined period. However, because of their ignorance / abuse of an responsibilities & misuse of free will they end up living less than predestined years.

Ayush-Suktam is a prayer to the LORD, to bless us with long life. After all, whatever a person desires to achieve can be achieved only in this ^{human} life. The incarnations of DEVATHAS / YUATHAS are only Bhoga-Sareera not Karma-Sareera.

The possibility of complete LONGEVITY ^{Can only be} by PURU-SHARDDHA / self effort when full term of life can be achieved only by special efforts and specific prayers such as "AYUSHYA SUKTam".

16 Friday

JANUARY

AYUSH SOOKTHAM has Nine Mantras praying for long life. The prayer is addressed to various deities such as Brahma / Shiva / SUN and all celestial who are guardians of the Universe.

AYUSH: All facets of mental & physical health & nourishment is its main purpose.

AYUSHAM: Promoting long & healthy prayerful & devotional life in every auspicious day - this is the motive spirit in which we can chant this manthra.

All mantras cannot be used for Homam (fire-ritual) Sookthams

Thankfully, Ayush Sooktham is used for AYUSH-Homam beginning on his 25th day or BIRTH-DAY. The whole ritual can be done in the absence of fire-ritual.

Simple devotion can be done with chanting slokas :-

ॐ नमो ब्रह्मणे नमो शिवाय नमो
ॐ नमो सूर्याय नमो वायवे नमो
ॐ नमो भूतानां नमो वायवे नमो
ॐ नमो वायवे नमो वायवे नमो
ॐ नमो वायवे नमो वायवे नमो
