

ICAA Horsemanship Program Update/Change Form

Updating your enrolled horse's information annually is a requirement to ensure our records are up to date. If a horse is sold and transferred, or a handler drops out and a new one is put in place mid-year, this form should be submitted when the change occurs so the old owner and/or handler can be removed and the new owner and/or handler put in place.

Only those owners and handlers of record will be approved to keep time on the enrolled horse. This form may be submitted with a horse's transfer, if sold.
