**5. Writing proposed rule changes:**

- Define the problem and develop as many possible solutions as you can by asking others for input.
- Choose one possible solution that appears to be the most appropriate and that fits the mission and goals of ICAA.
- Determine if any other section would be affected if your proposal were to be adopted, and specify the article and section numbers.
- Submit proper wording for a proposed section change by typing or neatly printing the exact wording being proposed. If you propose changes to existing language, ~~strike through~~ the words you propose to delete. Type in **bold and italics** the words you propose to add.
- Section changes submitted **without** sufficient documentation and specific explanations detailing reasons for the change will **not** be assigned to a committee.
