**Signature Authorization Form**

If anyone other than the registered owner or recorded lessee of a horse is authorized to sign any documents, this form signed by the owner or recorded lessee and notarized, giving specific details as stated on this form, must be on file with the ICAA before the ICAA can accept an authorized person's signature. There is no charge for filing.

If a horse is owned jointly and is listed in an "or" ownership, only one owner needs to fill out a signature authorization form for the authorized party to sign documents for both owners. If the horse is owned jointly and is listed in an "and" ownership, the owner signing this form is authorizing the person(s) on this form to sign documents for him/her only and unless the other owner has a signature authorization on file as well, the other owner will still be required to sign documents that require both owners to sign.
