

SECOND AMENDMENT TO
AMENDED AND RESTATED
DECLARATION OF COVENANTS, CONDITIONS AND RESTRICTIONS
FOR NAPLES RESERVE

This Second Amendment is made as of the date of execution set forth below, effective immediately, by the undersigned as the Declarant pursuant to Article XVII, Section 2 of that certain AMENDED AND RESTATED DECLARATION OF COVENANTS, CONDITIONS AND RESTRICTIONS FOR NAPLES RESERVE recorded in Book 5155, Page 661 of the Official Records of Collier County, Florida, as amended (the "Declaration").

Article V, Section 1, Subsection (p), paragraph x. is amended by deleting the words "pick-up trucks" and is restated as follows:

x. Prohibited Vehicles. Commercial vehicles, vehicles with commercial writing on their exteriors, vehicles primarily used or designed for commercial purposes, tractors, mobile homes, recreational vehicles, trailers (either with or without wheels), campers, camper trailers and other vehicles and transportation devices as determined by the Board from time to time in its sole discretion shall be parked only in enclosed garages or in the common parking area, if any, designated by the Association. Boats, other watercraft and boat trailers (except such as are in good cosmetic and operating condition) shall be parked only in enclosed garages, in the common parking area, if any, designated by the Association, or on a Lot if the same are not visible from streets or other Lots, subject to such exceptions for short-term parking as the Board may determine from time to time in its sole discretion. Stored vehicles and vehicles which are either obviously inoperable or do not have current operating licenses shall not be permitted within the Community, except within enclosed garages. For purposes hereof, a vehicle shall be considered "stored" if it is put up on blocks or covered with a tarpaulin and remains on blocks or so covered for fourteen (14) consecutive days, or for any thirty (30) days in any consecutive 12-month period without the prior approval of the Board of Directors. Notwithstanding the foregoing, service and delivery vehicles may be parked in the driveway of a Lot during daylight hours for such period of time as is reasonably necessary to provide service or make a delivery to a Lot. Any vehicle which is parked in violation of this paragraph may be towed by the Board of Directors at the Owner's expense. This paragraph shall not apply to any commercial vehicles of persons providing service or making deliveries to or on behalf of the Association, Declarant, Owners or their designees.
