A. The Contractor or any subcontractor performing the work described in this Agreement shall maintain throughout the term of this Agreement the following insurance:

(1) Workers' Compensation coverage, in full compliance with Florida statutory requirements, for all employees of the Contractor who are to provide a service under this Contract, as required under applicable Florida Statutes and Employer's Liability with limits of not less than \$1,000,000.00 per employee per accident, \$500,000.00 disease aggregate, and \$100,000.00 per employee per disease.

Said insurance shall also to include insured/underinsured motorists' coverage in the minimum amount of \$100,000 when there are owned vehicles.

B. The District, its staff, consultants, agents and supervisors shall be named as an additional insured on all policies required (excluding worker's compensation). The Contractor shall furnish the District with the Certificate of Insurance evidencing compliance with this requirement. No certificate shall be acceptable to the District unless it provides that any change or termination within the policy periods of the insurance coverage, as certified, shall not be effective within thirty (30) days of prior written notice to the District. Insurance coverage shall be from a reputable insurance carrier acceptable to the District, who licensed to conduct business in the State of Florida, and such carrier shall have a Best's Insurance Reports rating of at least A-VII.

C. If the Contractor fails to have secured and maintained the required insurance, the District has the right (without any obligation to do so, however), to secure such required insurance in which event, the Contractor shall pay the cost for that required insurance and shall furnish, upon demand, all information that may be required in connection with the District's obtaining the required insurance.

9. INDEMNIFICATION/HOLD HARMLESS. The Contractor assumes liability for and shall indemnify, defend and save harmless the District as well as its supervisors, members, employees, officers, managers, agents, successors and assigns from any and all expenses, costs, claims, actions, damages, losses and liabilities of every kind (including, but not limited to, reasonable attorneys' fees of their attorneys) irrespective of the theory upon which based (including, but not limited to, negligence and strict liability) arising out of the Contractor's presence within Naples Reserve for any purpose (including, but not limited to, performing work under this Agreement) and arising out of the Work area and the condition, operation ownership, selection, transportation, loading, unloading, security, leasing or return of any equipment or individuals with respect to the above services regardless of where, how and by whom used or operated and including, without limitation, injury to property or person (including death). This

Agreement also obligates the Contractor to indemnify and save harmless the District for any and all expenses, costs, claims, actions, damages, losses, and liabilities of every kind arising out of any of the Contractor's or their subcontractors at the site. The Contractor understands and agrees that it is obligated and shall indemnify the District for damages and injury to persons and property caused in whole or in part by any act, omission, negligence or fault of the Contractor and its subcontractor, agents, employees, officers, directors, successors and assigns. The Contractor's obligation to indemnify and defend the District is absolute, including instances where the District are found potentially liable, responsible or at fault and in those instances where the District's own negligence or actions caused said damage or injury in part. Notwithstanding the above, the Contractor shall not be required to indemnify and defend the District for damages found by a Court to have been caused solely by the District gross negligence or the willful, wanton or intentional misconduct of the District or their employees, officers, directors, successors and assigns.

The Contractor hereby acknowledges that the first \$100.00, paid under this contract as sufficient and valuable consideration from the District to the Contractor as specific consideration for this indemnification. It is understood and agreed that this Agreement is not a construction contract as that term is referenced in Section 725.06, Florida Statutes (and as later amended) and that said statutory provision does not govern, restrict or control this Agreement.

10. COMPLIANCE WITH GOVERNMENTAL REGULATION. The Contractor shall keep, observe, and perform all requirements of applicable local, State, and Federal laws, rules, regulations, or ordinances. If the Contractor fails to notify the District in writing within five (5) days of the receipt of any notice, order, required to comply notice, or a report of a violation or an alleged violation, made by any local, State, or Federal governmental body or agency or subdivision thereof with respect to the services being rendered under this Agreement or any action of the Contractor or any of its agents, servants, employees, or materialmen, or with respect to terms, wages, hours, conditions of employment, safety appliances, or any other requirements applicable to provision of services, or fails to comply with any requirement of such agency within five (5) days after receipt of any such notice, order, request to comply notice, or report of a violation or an alleged violation, the District may terminate this Agreement, such termination to be effective upon the giving of notice of termination.

11. LIENS AND CLAIMS. The Contractor shall promptly and properly pay for all labor employed, materials purchased, and equipment hired by it to perform under this Agreement. The Contractor shall keep the District's property free from any construction, materialmen's or mechanic's liens and claims or notices in respect to such liens and claims, which arise by reason of the Contractor's performance under this Agreement, and the Contractor shall immediately discharge any such claim or lien. In the event that the Contractor does not pay or satisfy such claim or lien within three (3) business days after the filing of notice thereof, the District, in addition to any and all other remedies available under this Agreement, may terminate this Agreement to be effective immediately upon the giving of notice of termination.

12. DEFAULT AND PROTECTION AGAINST THIRD PARTY INTERFERENCE. A default by either Party under this Agreement shall entitle the other to all remedies available at law or in equity, which may include, but not be limited to, the right of damages, injunctive relief, and/or specific performance. The District shall be solely responsible for enforcing its rights under this Agreement against any interfering third party. Nothing contained in this Agreement shall limit or impair the District's right to protect its rights from interference by a third party to this Agreement.

13. CUSTOM AND USAGE. It is hereby agreed, any law, custom, or usage to the contrary notwithstanding, that the District shall have the right at all times to enforce the conditions and agreements contained in this Agreement in strict accordance with the terms of this Agreement, notwithstanding any conduct or custom on the part of the District in refraining from so doing; and further, that the failure of the District at any time or times to strictly enforce its rights under this Agreement shall not be construed as

having created a custom in any way or manner contrary to the specific conditions and agreements of this Agreement, or as having in any way modified or waived the same.

14. SUCCESSORS. This Agreement shall inure to the benefit of and be binding upon the heirs, executors, administrators, successors, and assigns of the Parties to this Agreement, except as expressly limited in this Agreement.

15. TERMINATION. The District agrees that the Contractor may terminate this Agreement with or without cause by providing ninety (90) days written notice of termination to the District; provided, however, that the District shall be provided a reasonable opportunity to cure any breach under this Agreement by the District. The District may, in its sole and absolute discretion, whether or not reasonable, on thirty (30) days' written notice to Contractor, terminate this contract at its convenience, with or without cause, and without prejudice to any other remedy it may have. Upon any termination of this Agreement, the Contractor shall be entitled to payment for all work and/or services rendered up until the effective termination of this Agreement, subject to whatever claims or off-sets the District may have against the Contractor.

16. PERMITS AND LICENSES. All permits or licenses necessary for the Contractor to perform under this Agreement shall be obtained and paid for by the Contractor.

17. ASSIGNMENT. Neither the District nor the Contractor may assign this Agreement without the prior written approval of the other.

18. INDEPENDENT CONTRACTOR STATUS. In all matters relating to this Agreement, the Contractor shall be acting as an independent contractor. This Agreement does not create an employee/employer relationship between the parties. It is the intent of the parties that the Contractor is an independent contractor under this Agreement and not the District's employee for all purposes, including but not limited to, the application of the Fair Labor Standards Act minimum wage and overtime payments, Federal Insurance Contribution Act, the Social Security Act, the Federal Unemployment Tax Act, the provisions of the Internal Revenue Code, the State Workers' Compensation Act, and the State unemployment insurance law. The Contractor shall retain sole and absolute discretion in the judgment of the manner and means of carrying out the Contractor's activities and responsibilities hereunder provided, further that administrative procedures applicable to services rendered under this Agreement shall be those of the Contractor, which policies of the Contractor shall not conflict with the District, or other government policies, rules or regulations relating to the use of the Contractor's funds provided for herein. The Contractor agrees that it is a separate and independent enterprise from the District, that it has full opportunity to find other business, that it has made its own investment in its business, and that it will utilize a high level of skill necessary to perform the work. This Agreement shall not be construed as creating any joint employment relationship between the Contractor and the District and the District will not be liable for any obligation incurred by the Contractor, including but not limited to unpaid minimum wages and/or overtime premiums. The Contractor shall not incur expenses on behalf of the District, enter into any contract on behalf of the District, either written or oral, or in any other way attempt to obligate or bind the District except upon the express prior written approval of the District.

19. E-VERIFY. The Contractor shall comply with all applicable requirements of Section 448.095, Florida Statutes. The Contractor shall register with and use the U.S. Department of Homeland Security's E-Verify system to verify the work authorization status of all newly hired employees. If the Contractor enters into a contract with a subcontractor relating to the services under this Agreement, the subcontractor must register with and use the E-Verify system and provide the Contractor with an affidavit stating the subcontractor does not employ, contract with, or subcontract with an unauthorized alien. The Contractor shall maintain a copy of said affidavit for the duration of the contract with the subcontractor and

provide a copy to the District upon request. For purposes of this section, the term "subcontractor" shall have such meaning as provided in Section 448.095(1)(j), Florida Statutes and the term "unauthorized alien" shall have such meaning as provided in Section 448.095(k), Florida Statutes.

If the Contractor has a good faith belief that a subcontractor with which it is contracting has knowingly violated Section 448.095, Florida Statutes, then the Contractor shall terminate the contract with such person or entity. Further, if District has a good faith belief that a subcontractor of the Contractor knowingly violated Section 448.095, Florida Statutes, but the Contractor otherwise complied with its obligations hereunder, District shall promptly notify the Contractor and upon said notification, the Contractor shall immediately terminate its contract with the subcontractor.

Notwithstanding anything else in this Agreement to the contrary, District may immediately terminate this Agreement for cause if there is a good faith belief that the Contractor knowingly violated the provisions of Section 448.095, Florida Statutes, and any termination thereunder shall in no event be considered a breach of contract by District.

By entering into this Agreement, Contractor represents that no public employer has terminated a contract with the Contractor under Section 448.095(2)(c), Florida Statutes, within the year immediately preceding the date of this Agreement. District has materially relied on this representation in entering into this Agreement with the Contractor.

20. PUBLIC RECORDS. The Contractor understands and agrees that all documents of any kind provided to the District in connection with this Agreement may be public records, and, accordingly, the Contractor agrees to comply with all applicable provisions of Florida law in handling such records, including but not limited to Section 119.0701, Florida Statutes. The Contractor acknowledges that the designated public records custodian for the District is Daphne Gillyard ("Public Records Custodian"). Among other requirements and to the extent applicable by law, the Contractor shall 1) keep and maintain public records required by the District to perform the Oversight Services; 2) upon request by the Public Records Custodian, provide the District with the requested public records or allow the records to be inspected or copied within a reasonable time period at a cost that does not exceed the cost provided in Chapter 119, Florida Statutes; 3) ensure that public records which are exempt or confidential, and exempt from public records disclosure requirements, are not disclosed except as authorized by law for the duration of the Agreement term and following the Agreement term if the Contractor does not transfer the records to the Public Records Custodian of the District; and 4) upon completion of the Agreement, transfer to the District, at no cost, all public records in the Contractor's possession or, alternatively, keep, maintain and meet all applicable requirements for retaining public records pursuant to Florida laws. When such public records are transferred by the Contractor, the Contractor shall destroy any duplicate public records that are exempt or confidential and exempt from public records disclosure requirements. All records stored electronically must be provided to the District in a format that is compatible with Microsoft Word or Adobe PDF formats. Failure of Contractor to comply with Section 119.0701, Florida Statutes may subject the Contractor to penalties under Section 119.10, Florida Statutes. Further, in the event the Contractor fails to comply with this Section or Section 119.0701, Florida Statutes, District shall be entitled to any and all remedies at law or in equity. The following statement is required to be included in this Agreement pursuant to Section 119.0701(2), Florida Statutes:
