## POOL UPDATE

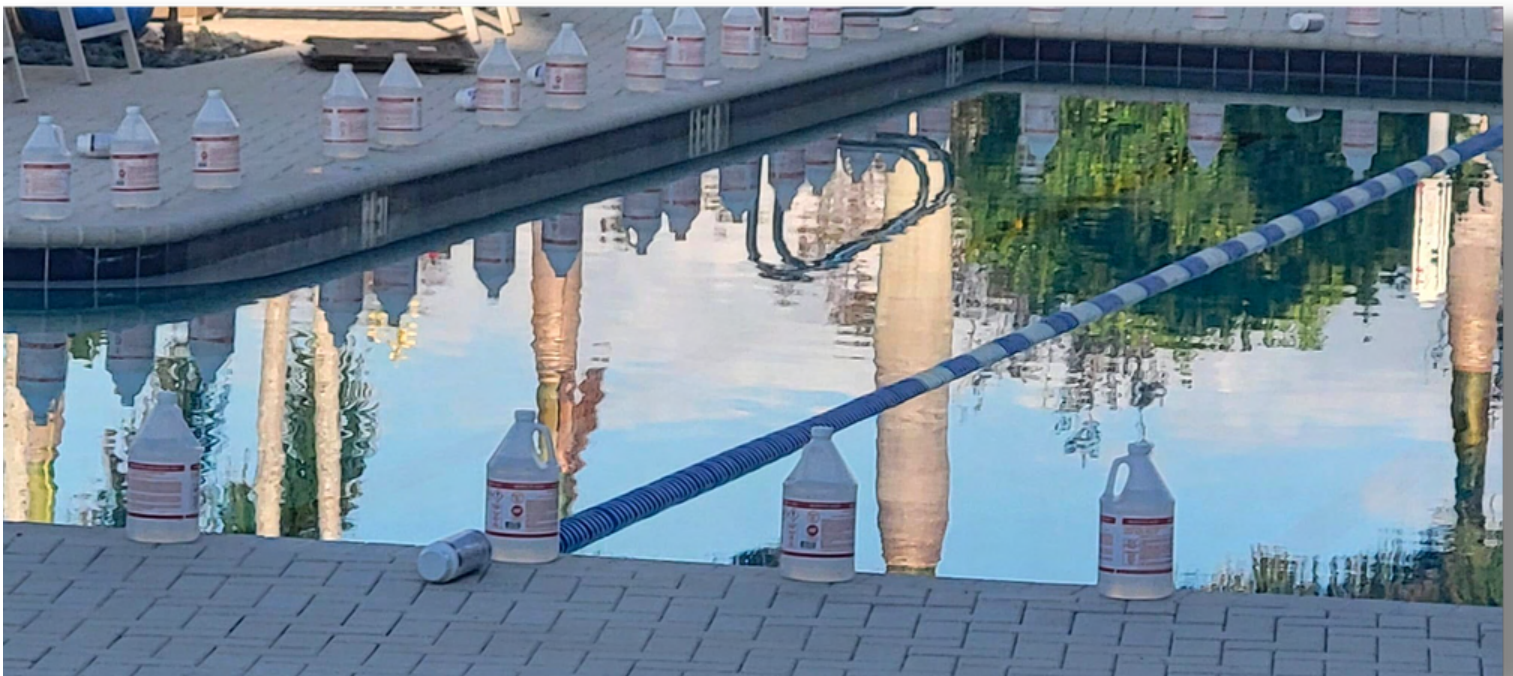

Dear Naples Reserve Residents,

The Island Club pool will remain closed until Monday, October 31st . We apologize for any inconvenience caused by the closure of our pool. We want to ensure the chemical balance in the water is stable before reopening the pool to guarantee that it does not negatively impact your safety and enjoyment.

Please feel free to reach out with any questions. Thank you and have a nice evening!

Best regards,

Naples Reserve Management Team

## DESIGN REVIEW

## LIVING WITH ALLIGATORS

Enjoy these amazing creatures from a safe distance, at least 30 ft. and always keep the following points in mind:

- **DO NOT FEED ALLIGATORS!** It is against the law and it causes alligators to lose their natural fear of humans
- **DO NOT HARASS ALLIGATORS!** It is against the law and it causes alligators to become very defensive/aggressive!
- **DO NOT** feed ducks, turtles, fish, or other wildlife. This can draw alligators, as well as other predatory animals to the area.

**KEEP** a safe distance & always keep your pets on a leash. Alligators can, and will, lunge/run.
