Notes:

- At Open Play, when there are 2 or more groups waiting to play, games will be first to 11.
- As a courtesy to fellow residents, please be mindful of the number of guests you bring to the courts.
- If Programs are not filled to capacity, program leads will use reasonable discretion to fill empty player positions (potentially including guests).
- Note that League Matches will periodically be scheduled during the afternoons which take priority over open play. Refer to the scheduling calendar in PlayByPoint for the most up to date calendar.
