

Dear Naples Reserve Residents,

Please see the construction update below as of Monday, October 27, 2025:

### **1. Work Performed Last Week**

- Finished underground plumbing for Clubhouse
- Finished underground electrical work for Clubhouse
- Inspected underground plumbing for Clubhouse
- Inspected underground electrical work for Clubhouse
- Adjusted construction fencing to accommodate new concrete bases for Gazebo
- Met with gas company to discuss changes needed for new kitchen
- Met with Audio/Video company to discuss needs for Clubhouse and Gazebo

### **2. Upcoming Work (This Week)**

- Continue working on the concrete bases for the Clubhouse columns until they are completely solid.
- The workers will lay a grid of steel reinforcement bars, known as rebar, and cover it with a plastic vapor barrier to protect the concrete from moisture.
- Have the county inspect the Clubhouse foundation
- Continue marking the ground for where the Gazebo columns will go
- Begin digging the holes for the Gazebo support columns
- Begin necessary roof demolition to create an opening for installing new steel support columns

### **Important Safety Reminder:**

Please be reminded that residents must stay out of all construction zones at all times to ensure everyone's safety. In particular, residents **must not enter the Outrigger Building or its parking lot and should not go past the black construction gates (on foot or by vehicle), even if the gates are open.**

Your management team will continue providing regular updates and will keep the community informed throughout the duration of the project.

We also encourage residents to check out the progress photos available on our website at
