

Hello Naples Reserve Residents....

We hope you are having a great Spring! Below are a few updates from the Naples Reserve Pickleball Committee...

### **OPEN PLAY:**

Open Play is now available on Wednesday evenings. The Wednesday night Intermediate Women's program is on hiatus. Stay tuned for more updates as we finalize the off-season schedule.

### **HOUSEKEEPING REMINDERS:**

- Please remember to turn off all court lights if you are the last person leaving for the night.
- PLEASE DO NOT LEAVE THE GATES OPEN. While everyone appreciates the courtesy extended to your fellow neighbor, it is very important that every user at Match Point swipe for entry using the PDK app. Please do not use a rock, branch, palm frond or anything else to keep the entrance or side gate open. If you are expecting a guest, you must accompany your guest through the gate. The data obtained from the PDK access is very important to the maintenance and use of this amenity.

### **UPDATE ON CLINICS AND INSTRUCTION:**

We hope that all residents who participated in our **Beginner's Clinic** and/or **Focused Instruction** have gained valuable skills, improved their game, and, connected with other residents to play together!

The **Beginner's Clinic** has been a huge success over the past few months and please note there are no more clinics due to the end of the season.

However, you can still sign up for **Focused Instruction**. \*Please sign up with others who share a similar skill level.

Sign up at [Focused Instruction](#)

[1 Hour Focused Instruction: \\$40 per person / 2 person minimum and 4 person maximum \\*24-hour notice cancellation policy\\*](#)

If you have already taken the beginner's clinic and want to learn more or players who want to improve their game by learning how to place shots, dink, drops/long dinking, put aways, stronger drives, volleys, stronger serve, resets, learn strategy, and/or improve playing w/their partner.
