

# PB Newsletter

Dear Fellow Naples Reserve Residents ...

As we are entering the off-season for our community, several changes have been made to the Pickleball schedule and programs. Please see the schedule below which is effective May 16. Some of the program changes have already been incorporated but the highlights for the new schedule are as follows:

NAPLES RESERVE PICKLEBALL SCHEDULE (Effective 5/16/2024)

10:00 PM								

**Notes:**  
 - At Open Play, when there are 2 or more groups waiting to play, games will be to 9, win by 1.  
 - Guests MUST be accompanied by a resident.  
 - All guests (other than registered immediate family guests) must be accompanied by a NR resident.  
 - As a courtesy to fellow residents, please be mindful of the number of guests you bring to the courts.  
 - Guests are permitted at scheduled programs after all qualified NR residents have signed up.  
 - If Programs are not filled to capacity, program leads will use reasonable discretion to fill empty player positions

- Courts will operate as Open Play all day long; no reservations needed at this time
- Effective May 16, Morning Open Play will be open to residents and guests for the summer months
- Several programs will be on hiatus until the Fall or have reduced their required court usage
- If an evening program is not using all four courts, the unused courts are available for evening Open Play
- If you and/or your family are on a court and no one is waiting, the court is yours to use for the time being. However, if someone arrives at Match Point and a wait for court usage begins, we ask that all players finish their game within 15 minutes of the wait start and rotate off so that others can use the court. We appreciate your kindness and courtesy towards your fellow neighbors.

Court Repairs:

## Court Repairs:

As you have probably noticed, our courts look great thanks to the very hard work of Pickleball Committee members Ron Novak and John Iavarone, as well as Board Liaison Ben Garfunkel. These volunteers took it upon themselves to have our vendor educate them on the proper technique to fix the courts. Because of their dedication and volunteerism, they saved Naples Reserve over \$4,000 in expenses. These repairs were not cosmetic, but required maintenance needed for the durability of the courts due to weather, elements and heavy use.

Thank you Ron, John and Ben!

## Special Events:

Stay tuned for future updates on summer events and tournaments that are being scheduled for Match Point.

See you on the courts!
