

Dear Naples Reserve Residents,

Please see the construction update as of Tuesday November 11th, 2025.

1. Work Performed This Week

- Completed excavation for Gazebo column footers
- Passed soil compaction testing for Gazebo footers
- Completed roof demolition in Clubhouse to prepare for future steel column installation (roof mechanical platform)
- Passed column footing inspection for Clubhouse
- Began installation of bases for plumbing fixtures in new kitchen floor

2. Upcoming Work (Next Week)

- Complete steel preparation for Gazebo column foundations
- Conduct inspection of steel preparation for Gazebo column foundations
- Install new grease trap for Clubhouse
- Continue to work on plumbing bases for kitchen in Clubhouse

Important Safety Reminder:

Please be reminded that residents must stay out of all construction zones at all times to ensure everyone's safety. In particular, residents **must not enter the Outrigger Building or its parking lot** and **should not go past the black construction gates (on foot or by vehicle), even if the gates are open.**

Your management team will continue providing regular updates and will keep the community informed throughout the duration of the project.

We also encourage residents to check out the progress photos available on our website at <https://naplesreservehoa.com/renovationsupdate>

Sincerely,

Naples Reserve Management Team
