# GAYLORD YOUTH TEAM TENNIS

Tennis provides numerous benefits beyond good health and activity. Kids learn *teamwork, communication, balance, agility, hand-eye coordination, problem solving* and *self-reliance*, all while having fun and making friends. Midwest Youth Team Tennis uses smaller courts, shorter racquets and lower bouncing balls, so youth players will achieve greater physical activity and feel successful at tennis right from the start. All players receive a team t-shirt, an age appropriate tennis racquet and ball.
